The Anti-Defamation League

Intimidation (including false accusations) by the ADL is their specialty, but through the strength of God, I have no fear of them. There is nothing wrong with exposing real anti-Semitism directed toward Jewish and Arabic people. Sometimes, the ADL do indeed expose real anti-Semites (like the neo-Nazis, 33rd Degree Scottish Rite Freemason Henry Ford, Charles Coughlin, etc.). On the other hand, real researches make manifest of the ADL not only being an arm of the elite (many of these elitists advocate one world government), but some have accused the ADL of once having mafia and pornography ties. The ADL is a network of people that stalks some people under the guise of “anti-Semitism” to elevate their own agenda. Many members of the ADL sincerely fight against bigotry, but their leadership have been corrupted with compromise. Their agenda is extreme political correctness and the
promotion of a far left agenda. Out of the many exposes on them, one was created by William Cooper. William Cooper (who died in a murder at October 2001) created his The Hour of the Time tape series on the ADL, which is the most truthful and fairest around to lay the reality on the Anti-Defamation League. The ADL’s roots existed from the Jewish Masonic Lodge of B’nai B’rith, so that will be outlined first. In the words of William Cooper:

“I am not talking about Jews. I am talking about a branch of the Illuminati, the control structure that is bringing one world government into fruition, destroying the sovereignty of nations, and many many other things.”

According to Edith Starr-Miller’s 1933 Occult Theocracy, German Jews headed by Henry Jones invented the B’nai B’rith in October 13, 1843. Other founders include Isaac Rosenbourg, William Renau, and Reuben Rodacher. It was then called “Bundes-Brudeder” (which means the “League of brothers”); it was a German name because the founders were Jewish-German and they only spoke German and Yiddish. The “B’nai B’rith” itself acknowledges that at least four of its founders were Freemasons. The Order’s Motto was: “Benevolence, Brotherly love and Harmony.” The 12 founders were in their 20’s and 30’s. They came from Germany into New York in the 1800’s. B’nai B’rith have Hebrew titles for their officers. The president was called the Grand Nsi Abh; the vice president, Grand Aleph; the secretary, Grand Sopher, etc. The Scottish Rite of Freemasonry also support the B’nai B’rith Lodge, yet the Scottish Rite is more powerful than them. B’nai B’rith is not of true Judaism (though Judaism is an obsolete religion). The B’nai B’rith is anti-God, anti-Torah, and anti-Moses since they regularly support the Kabbalah and occult principles (according to the Freemasonry Watch.org website). The Scottish Rite in fact worked with the Rothschilds, the Jesuits, evil Brits, and the rest of the Elite to strengthen the secessionist movement (including the funding the Union side too). There is nothing wrong with secession in it of itself (In other words, America is a product of secession from the British Empire). Yet, people have a right to criticize many secessionists who wanted black people to be further oppressed unfairly in a society via slavery, murder, rape, etc. The Civil War was anti-North and anti-South. The Elite wanted it to happen so the North and South could extremely hate each other causing division and not unity to solve their problems peacefully. There is nothing wrong with the South seceding legally. There is something wrong with preemptively bombing Fort Sumter, South Carolina which began the Civil War, Lincoln shutting down newspapers who harbor various opinions, suspending habeas corpus, the oppression of slavery on black people, the war crimes committed by both sides during the Civil War, and the restriction of equal rights to all people during that time.

The Knights of the Golden Circle, Freemasonry, and other Secret Societies infiltrated the leaders of the North and South. Judah P. Benjamin was a Jewish strategist (who
some believe worked for the House of Rothschild) who had a crucial part in the Civil War. Benjamin lived from 1811 to 1884. Now, he was born as a British subject in the West Indies. Judah Philip Benjamin became a citizen of America. His father was one of the founders of the Reform congregation in America (His father was Philip Benjamin from England). Benjamin was raised in Charleston, South Carolina. Judah Benjamin owned slaves. He was a traitor to his Jewish race since his ancestors experienced Egyptian oppression, yet he supported slavery that was oppressive against black Americans. That is why Republican Benjamin Wade of Ohio accused him of being an Israelite in Egyptian clothing. "Wade is right, because Judah Benjamin deserted the real tenets of the religion of Moses. In September 1861, Judah Benjamin was the Confederate Secretary of War. Later, he became the Confederate States’ Secretary of State. He quarreled with the Confederate Generals P.G.T. Beauregard and Stonewall Jackson. This came to a head over the loss of Roanoke Island to the Union "without a fight" in February 1862. Confederate leader Jefferson Davis was responsible for this. Judah Benjamin was so desperate after Confederate defeats that he said that: “...Let us say to every Negro who wishes to go into the ranks, 'Go and fight - you are free...‘” Robert E. Lee supported the proposal, but it was too late. The Civil War ended the Confederate nation. Judah Benjamin died in Paris at May 6, 1884. Some have accused Benjamin of being a conspirator of Abraham Lincoln’s assassination. Yet, those responsible for Lincoln’s assassination didn’t include Benjamin per se, but the Vatican/Jesuit network (since many co-conspirators like Surratt, etc. were in fact Roman Catholics), the Knights of the Golden Circle, and other secret orders (working with the international banking elite). This has been proven by numerous books from CT Wilcox’s book to others. According to Joseph Geringer, John Wilkes Booth was a member of the Knights of the Golden Circle. Anton Chaitkan makes a strong evaluation of the B’nai B’rith:
“...The Independent Order of B’nai B’rith formed in 1843 as a Jewish community sub-project in the restoration of Masonry by the Scottish Rite and the British foreign office. Though most of its lodges were in the North, B’nai B’rith was openly pro-Confederate. Though it claimed to be neutral in the war, many of the Order’s Northern spokesmen were stridently pro-slavery. B’nai B’rith’s post-Civil War leaders were pro-Confederate operatives, including later president Simon Wolf, who had been arrested by the War Department in Washington, D.C. as the lawyer for a Confederate spy ring. "Rabbi Isaac Wise established B’nai B’rith’s center for the "liberalizing" of Judaism in Cincinnati, Ohio-coinciding with Cincinnati’s other great Scottish Rite scheme, the launching of the Knights of the Golden Circle. Wise was officially neutral in the Civil War. Core leaders of the B’nai B’rith from then on have been Scottish Rite Masons. The political establishment associated with the Order has always had its headquarters in London...” (From http://www.impiousdigest.com/lbj/fox.htm)

It’s a known historical fact that many Sephardic Jews (not all Jews), related to the B’nai B’rith were involved in the slave trade. Charleston’s B’nai B’rith leader Edwin Deleon’s family were slave traders. Deleon advocated a stronger Anglo-American alliance. The B’nai B’rith lodge was pro-slavery for the most part. Simon Wolf (1855-1953) was one of the famous Order of the B’nai B’rith members who was arrested by Lafayette C. Baker (Chief of the U.S. Secret Service) on charges on spying and blockading the Confederacy. In fact, Wolf and Benjamin Peixoto (another B’nai B’rith person) were close friends with John Wilkes Booth (assassin of Abraham
Lincoln and according to Izola Forrester’s ‘This One Mad Act was again a member of the Knights of the Golden Circle. Forrester was John Wilkes Booth’s granddaughter so this source does indeed have credibility). Let it also be known that many Jewish people opposed slavery and publicly called for the freedom of African Americans during the 19th century. In the Civil War, twice as many Jews fought for the Union as for the Confederacy. Northern Jews, many of them recent German immigrants, were strongly pro-republican and anti-slavery.

Now let’s go into the 20th century. James Bulloch was a confederate exile, which was Judah Benjamin’s secret service liaison man in England. Bulloch a Confederate chief arms procurer. He was arrested in 1854 in the Cuban/Quitman fiasco. Gustavus Myers was a channel between Judah Benjamin and August Belmont. Hays and many Jewish leaders in Virginia back then were linked to the Rothschilds of London and the Freemasons. According to Fritz’s literature, Gustavus A. Myers was Judah P. Benjamin’s closest friend. The Rothschilds hence had a heavy hand in the Civil War. Gustavus A. Myers was the former president of the Richmond City Council, and the undisputed head of Richmond’s Jewish community. Gustavus A. Myers's maternal grandfather, Moses Michael Hays, had brought the original "patent" and rituals from England to found the Scottish Rite in the American colonies. Get this Hampton Roads connection. **Gustavus A. Myers’ grandfather was Moses Michael Hays.**

Moses Michael Hays was the man who created the Scottish Rite and 33rd Degree in America. Moses lived in Norfolk, Virginia on Freemason Street in Downtown. Moses Myers was a leader in Norfolk’s Jewish community. I’ve seen Moses Hays’s home before.

Theodore Roosevelt’s uncle was not only James Bulloch, but Roosevelt was a Freemason. Theodore Roosevelt led imperialism in the world and was an evil man. Teddy’s clique conquered Cuba in the Spanish-American War at 1898. His clique would committed atrocities over in the Philliphines under the orders of Freemason Arthur MacArthur. The ADL was founded and headed for its first 30 years by Sigmund Livingston, a well-known Chicago attorney. The ADL was created in 1913. Livingston headed the powerful B’nai B’rith Midwest Lodge No. 6. Now, the ADL’s charter is that:

“...The immediate object of the League is to stop, by appeals to reason and conscience and, if necessary, by appeals to law, the defamation of the Jewish people. Its ultimate purpose is to secure justice and fair treatment to all citizens alike and to put an end forever to unjust and unfair discrimination against and ridicule of any sect or body of citizens.” ([About ADL](http://www.adl.org/about.asp), Retrieved on 2007-05-28).

The ADL was formed in response to the Leo Frank controversy. Frank was a Jewish factory manager who lived in the state of Georgia. He was convicted of the 1913
rape of rape and murder of Mary Phagan. To this day, there are those who believe Frank was guilty or innocent of the crime. The Governor of Georgia reviewed the evidence and decided that Leo Frank was innocent. He commuted his sentence to life in imprisonment, but vigilantes kidnapped him from prison and lynched him. Of course, I don’t agree with a mob killing Leo Frank at all. Anti-Semitism was really bad then and now. The following is the smoking gun evidence that the Anti-Defamation League don’t have the interest of Jewish people in heart. **Author Anton Chaitkan wrote that Cyrus Adler worked with the B’nai B’rith and the New York Times to destroy all U.S. political actions against Adolf Hitler in Germany. Adler was the President of the American Jewish Committee. Chaitkan goes a step further by saying that B’nai B’rith (who invented the ADL) was deliberately left open by Hitler to function under Nazi rule from 1933.** Two days after the cable from Erich Warburg to Frederick Warburg, on March 31, 1933, the American-Jewish Committee (controlled by the Warburgs) and the B’nai B’rith, issued a formal, official joint statement of the two organizations. This statement counseled “that no American boycott against Germany be encouraged,” and advising “that no further mass meetings be held or similar forms of agitation be employed.” This is proven by WEBSTER G. TARPLEY & ANTON CHAITKIN’s book entitled “GEORGE BUSH: THE UNAUTHORIZED BIOGRAPHY” as found in the link of: http://www.tarpley.net/bush2.htm.

**Hitler closed down B’nai B’rith’s Nazi authorized German operations in 1938. Only in 1939 that the B’nai B’rith boycotted against the Nazi Regime. The American Jewish Congress (with Jacob Chaitkan as legal director of the boycott against the Nazis), the American Federation of Labor, and other groups opposed the B’nai B’rith’s Nazi supporting ways.** While legitimate Jewish people went along with black people to fight for civil rights, the ADL was working in cahoots with the FBI to infiltrate and try to harm anti-war plus civil rights groups during the 1960’s. According to Hunter Gray, a civil rights worker, the ADL put the American-Arab Anti-Discrimination Committee, labor unions, Native American groups, Chicano, Black, and Asian rights groups as “subversive organizations.”

**Today, the ADL is working with the FBI still to investigate “terrorism” after 9/11. Despite giving out the Free Speech “Torch of Liberty” award, they hate free speech that they don’t like. They forced St. Martin’s Press into canceling their contract with David Irving. Even though Irving is wrong about his opinions on the Holocaust as almost a myth, he has a right to show his opinions without threats and violence. The article called “ADL-America’s Most Powerful Hate Group” reported more of the ADL’s corruption. The article says that one of the ADL’s sources was Roy Bullock, a person who collected information and provided it to the ADL as a secretly-paid independent contractor over 32 years. In the article, it shown that in April 8, 1993, San Francisco and LA ADL offices were raided for suspected wrong doing. The police wanted evidence. The Attorney General of San Francisco, Arlo Smith, said that it was ‘the biggest network of espionage working on a national**
Two reporters of the ‘San Francisco Chronicle’, Phillip Matier and Andrew Ross, wrote that the A.D.L.’s dossier in San Francisco, seized by the Los Angeles police, is ‘only the tip of the iceberg of a national system of espionage and indiscretions programmed by the security services’. The two journalists also state that ‘policemen from at least other six cities are equally involved in the sale of confidential police files.’ Another practice used by the A.D.L. is to infiltrate in American groups or parties. The raids had evidence of the ADL’s support of stealing confidential police files from CA police departments. Also, these raids revealed that Bullock’s computer had filed on 9,876 individuals and more than 950 groups across the political spectrum. Many of Bullock's files concerned groups that did not fit the mold of extremist groups, hate groups, and organizations hostile to Jews or Israel that the ADL would usually be interested in. These groups include: data on the NAACP, the African National Congress (ANC), the American Civil Liberties Union (ACLU), the United Auto Workers, Jews for Jesus, Nancy Pelosi, etc. The ADL denied knowing the extent of Bullock’s files. The San Francisco district attorney at the time accused the ADL of conducting a national spy network", but dropped all accusations a few months later. Other groups sued the ADL for privacy violations. The ADL agreed to pay $175,000 for the court costs of the groups that sued it, promised that it would not seek information from sources it knew could not legally disclose such information. In 2007, Abraham Foxman came under criticism for his stance on the Armenian Genocide. Foxman had opposed calls for the U.S. Government to recognize the Armenian murders by Muslim extremists (including the Domneh) as a "genocide." Of course, the Armenian suffering was a genocide by Turkish extremists. August, 17, 2007, the ADL fired its regional New England director, Andrew H. Tarsy, for breaking ranks with the main organization and saying the ADL should recognize the genocide. Later, the ADL had no choice, but to admit that the Armenians indeed suffered genocide in the early 1900’s.

It’s a historical fact that the ADL has been linked to organized crime, especially Las Vegas mafia boss Lansky (according to the late William Cooper). Pornographer Hugh Hefner was honored by the ADL in its “Torch of Freedom” award. Obscene pornographer Larry Flynt sent the ADL $100,000. Some criticized the ADL for equated dissent with Israeli policies as almost chose to anti-Semitism (like Michael Lerner and Noam Chomsky). Many US presidents, such as Truman, Eisenhower, J. Kennedy, Johnson and Reagan have praised the A.D.L.

The ADL is radically socially liberal. Even the conservative Jewish organization called Jews for Morality exposed this extremist far-left ADL before. Orthodox Rabbi Daniel Lapin has charged:

“…The most deeply held values of the ADL are a hatred of Judaism and Christianity—and a secularization of society..”
Tons of Jewish people don’t like the ADL’s demonization of conservative Christians on numerous occasions. In the Jews for Morality’s articles, the ADL works closely with homosexual lobbies in D.C. and instate capitols. The ADL works with pro-abortion groups and the gun control lobby. They also work with the American Civil Liberties Union and the People for the American Way, which are all right on civil liberties and opposing torture. Yet, they want to restrict voluntary religious expression from the schools and the public square, which are 100% wrong. These radical actions are agitating real anti-Semitism instead of trying to stop it. The ADL is also promoting Hate Crime Legislation laws. I have no problem with laws to stop harassment, violence, or terrorizing groups of people, but the ADL now wants free speech that they hate to be included in the list as well. The free speech they want banned are words against abortion, dissent of homosexuality, and promotion of Christian values.

On February 20, 2002, Landsdowne, PA mayor Jayne Young said that Landsdowne’s Borough officials signed an ADL “no place for hate” program. The ADL is trying to indoctrinate the citizens of that town that Christian dissent with homosexuality is not only “homophobia” (which is false) and a “psychiatric disorder” (a lie), but “hate” (another lie). Is this a twilight zone or what? This is part of the thought police craze attempting to intimidate Bible Believers. In July 21, 2004, Michael Marcavage (a young Christian activist) spoke on a microscope in opposition to homosexuality as against God’s law. He tried to read from the Bible, but was prevented since the President of the Council called the Bible “hate speech.” The Bible and all men should hate evil and hating evil is perfectly normal. Michael was assaulted by one council member and the Landsowne police chief for no reason. He had to face 15 months in jail plus or $2,800.00 fine.
Lynee Abraham, District Attorney of Philadelphia and a national executive board member of the ADL gave the order to arrest Michael on October 10, 2004. On February 17, 2005, the great news is that the judge threw the ADL’s case out and the Landsdowne borough threw out the charges. The ADL are still trying to have “hate-free zones” in America. The Anti-Defamation League is promoting HR 2662 providing federal protection and prosecution for hate crimes involving “real or
perceived gender identity.” What’s that? It means that if a person perceives that a person is a transvestite or “female impersonator” and say “I’m going to hurt you woman,” you can be charged for a hate crime. This is in America with a felony (no less than 5 years in federal prison). This has nothing to do with stopping violence against anyone since people being violent toward anyone because of their sexual orientation is wrong. Laws already exist that ban violence toward anyone for any reason in America. It has to do with censorship of free speech. **Ted Pike is one man exposing the hate crime agenda.** Though I don’t agree with Pike’s views on Israel slightly, he is right on the extremism of the ADL. The Anti-Defamation League isn’t about helping Jewish people, but it’s about spying, censorship, infiltrating, intimidation, and an anti-Christian agenda (since Abe Foxman even oppose voluntary conversions of Jewish people to Christianity). The ADL is very **radically anti-gun.** The ADL supported the District of Columbia before the US Supreme Court in *District of Columbia v. Heller* which argued that the city’s ban on the possession of handguns and any functional firearms, even for self-defense in the home is not prohibited by the Second Amendment. The Jews for the Preservation of Firearms Ownership have supported gun rights. They oppose the ADL on the Second Amendment.

Here’s more of the ADL’s slander of Patriots. As we know, James von Brunn was an evil, anti-Semitic murder of a security guard at the Holocaust museum. **Now, the Anti-Defamation League and their allies are exploiting this tragedy (and others) as an excuse to promote an attack on the First Amendment on the internet.** Christopher Wolf, chair of the Anti-Defamation League’s Internet Task Force and Immediate Past Chair of the International Network Against Cyber-Hate wrote about paranoia about haters in Web 2.0. Web 2.0 deals with communications from social-networking site, video-sharing sites, wikis, and blogs. The fact is that haters will exist regardless if the Internet exist or not. Censorship is not an answer to confront haters, but debate, protests, and any legitimate means to decrease any form of
bigotry in the world. Now, the ADL tried to compare Poplawski’s view to Alex Jones. I don’t even agree with Jones on every issue, but even I realize that Alex Jones had nothing to do with the murderer of Richard Poplawski. This attack against conservatives, libertarians, Patriots, etc. have come under the the Department of Homeland Security’s “Rightwing Extremism” document. The DHS conflated white supremacists with activists opposed to gun control, abortion, and illegal immigration. An earlier report issued by the Missouri Information Analysis Center specifically denoted Ron Paul, Chuck Baldwin, and Bob Barr supporters as potentially dangerous terrorists. The MIAC report also concentrated on white supremacists and militia groups. Some have accused the South Poverty Law Center (SPLC) or the ADL as being responsible for spreading the MIAC slanderous report. Missouri authorities later rescinded the MIAC report. This isn’t unusual since on April 22, DHS Secretary Napolitano appeared before the Anti-Defamation League National Leadership Conference in Washington. In a speech, she said that “the ADL and DHS have had some good partnerships. In recent years, the Department has placed our employees in your advanced training school to educate us on the tactics used by extremists and terrorists.”

Napolitano even admits that the DHS are linked to the ADL. The Anti-Defamation League in my eyes are just as much as intelligence agency as the DHS or the FBI. The ADL’s Deborah Lauter is a liar and said that the DHS report was spot on when it compared returning veterans to terrorists basically. She acts like we can’t have any discussion about disagreeing with illegal immigration or opposing the evil of abortion at all. Attorney General Eric Holder wants a new hate crimes law as well. Abe Foxman once again slander 9/11 truth people as being a belief system of anti-Semites. The truth is that real 9/11 Truth individuals aren’t anti-Semites. Some anti-Semites are vegetarians. That doesn’t mean that vegetarians are representative of anti-Semites. Foxman said that he wants to confront us since people like us believe that 9/11 was an inside job. Well, we welcome the discussion and we won’t back down from the likes of the ADL. 9/11 Truth is not equivalent to anti-Semitism at all since we don’t hate Jewish people or Arabic people. Even neo-conservative Glen Beck said that 9/11 Truthers want to destroy America and are just like Al-Qaeda. This slander is so bad that one person (who is in the 911 Truth Movement) is suing Glen Beck for defamation. Christopher Wolf wants the Internet to get rid of “hate speech” (which can be ambiguous because speeches from Hitler can be banned and that can be used in a research project) along with more filters. Others have suggested more draconian measures. For instance another CBS scribe, Bonnie Erbe, has demanded the state start “rounding up promoters of hate before they kill.” So, the real extremists promoting violations of free speech and individual liberty are the DHS, the ADL, and the SPLC not us.
President Barack Obama signed the The Matthew Shepard and James Byrd Hate Crimes Prevention Act on October 28, 2009. Attorney General Holder was one of the greatest supporters of this bill and now it’s a law. People like Rev. Ted Pike believe that the passage of the law was stage two in “a massive national campaign to train lawyers to become hate crimes prosecutors.” Pike believes that the bill will be used against people who peacefully disagree with homosexuality or are critics of Israel (even though I don’t hate Israel as a nation. I just disagree with some policies of the Israeli government and other Middle Eastern nations like Egypt, Saudi Arabia, Syria, etc.). Holder promised to begin using the act the moment it became law. Of course for years, Eric Holder (who covered up Clinton’s murder at Waco, TX in April 19, 1993. This was when 76 people at least died including more than 20 children and 2 pregnant women) holds onto a close relationship with the Anti-Defamation League. He admitted that: “…I first began convening meetings with members of the ADL in the early 90’s when I served as the United States Attorney in Washington, D.C...The Obama Administration could ask no better partner than the Anti-Defamation League as we jointly strive to attain the ideals of equal opportunity, equal rights, and equal justice for all. Members of the ADL — I salute you.” Holder said, according to a transcript of his October 17 speech. The ADL definitely will have no problem targeting. The ADL still lies and compared white supremacists and other racists to legitimate conservative/libertarian people. Other ADL targets include the Oath Keepers and Three Percenters, who are according to the ADL “both
part of an anti-government extremist movement that has grown since President Obama took office, promote the idea that the federal government is plotting to take away the rights of American citizens and must be resisted. The two groups are apparently trying to make inroads in the U.S. military,” a mischaracterization that plays right into the DHS “rightwing extremism” document that claims returning veterans pose a violent threat. According to the ADL, Joe Banister, Tommy Cryer, Pat Shannan, Dave Von Kleist, Jack McLamb, Greg Dixon, Ted Gunderson, and Michael Badnarik are “extremist speakers” who also pose a threat to the country. Of course this is a lie since these people aren’t a threat to America at all. The so-called Matthew Shepard and James Byrd Hate Crimes Prevention Act will be used against people who criticize homosexuality. It will also be used to go after individuals and organizations the Anti-Defamation League has targeted for intimidation, elimination of their liberties, and censorship. People have a right to peacefully agree or disagree with lifestyle choices in U.S. society.

The leadership of the Anti-Defamation League is strong pro-abortion. Much evidence conclusively manifests this point. Lifesitenews.com proves that the ADL monitors even peaceful pro-life organizations like the Human Life International and associate them with the shooting of abortionists. They call them extremists for comparing the slaughtering of the unborn to the Nazi Holocaust. The ADL are liars since butchering unborn babies in the womb is like a Holocaust. It’s murder and destruction. The ADL attacks conservative Jewish people for ideological reasons like radio talk show host Dr. Laura Schlessinger. In fact, Carl Pearlston, a member of the ADL for 25 years wrote recently in the Jewish World Review that he was booted off the ADL's Executive Committee and Regional Board for not towing the ADL's leftist agenda. Pearlston laments that the ADL was "turning Judaism on its head." The ADL supported partial birth abortion in their amicus brief as the friend of the court back in 2000. What more proof do the skeptics need?
Appendix A: Sabbaetean/Frankist Link to the new world order

I want to make it perfectly clear that not all Jewish people are evil like this. Many Jewish people are righteous and respect God’s commandments. This is just a connection to expose evil influences among some Jewish people (and non-Jewish people) involved in the new world order. I want to make that clear. Rabbi Antelman in his books “To Eliminate The Opiate Volumes I and II” discusses this issue in depth. Few talk about the Sabbateans. Now, many Jewish apostates existed from their captivity in Babylon (plus before that time). Ultimately, this apostasy comes from the Luciferian Mystery Religion of Babylon. Afterwards, they formed the Midrash and Talmud, which were manmade interpretations of the Torah. Jesus condemned them for doing that by saying that your man-made tradition violates the commandments of God. In other words, Jesus meant that these man made works have nothing to do with the Word of God. Later, one apostate was Sabbeatzi Tzvi of the 1600’s. He was in Turkey and was banned by Orthodox Jewish people. Therefore, this Turkish Jewish person was spewing anti-Jewish propaganda. The reason was that Tzvi called himself the Messiah, which was false. Sabbeatzi Tzvi was arrested by the Turkish Sultan in September of 1666. The Kabbalist Sabbeatzi Tzvi
was so deceived that he would later convert into Islam. Later, his followers formed the Sabbeateans (and the Frankists named after Jacob Frank). Another man who was instrumental in the lives of the followers of the Bavarian Illuminati (one example is how Bavarian Illuminati member Karl von Hessen-Kassel had contact with Frankism according to Terry Melanson) was Jakob Frank.

Jakob Frank was a Polish born Jew. Numerous Frankists and Sabbeateans would become Satanists according to Fritz Springmeier. His family name was originally Leibowicz. He lived in the German city of Offenbach and was the leader of the secret Jewish Cabala at that time. Frank was into the occult and hated the Torah. He believed in antinomianism and sexual orgies. Jacob Frank was the 18th century Jewish religious leader who claimed to be the reincarnation of the self-proclaimed messiah Sabbatai Zevi and also of King David (while claiming to accept enlightenment principles). Jacob Frank’s father was a Sabbatean, and moved to Chemivtsi., in the Austro-Hungarian region of Bukovina in 1730. This is where the Sabbatean influence at the time was strong. Frank rejected the Talmud. Jacob would be excommunicated again by the Orthodox Jewish people. The Vatican supported many Sabbateans, because the Sabbeateans felt that the Kabbalah (and Zohar, which they followed) validated the existence of the Trinity. Dembowsky, the Catholic Bishop of Kamenetz-Podolsk, protected the Sabbateans. By 1757 an edict from Augustus III of Poland guaranteeing them safety. By the late 1700’s, Jacob Frank would convert to Roman Catholicism. Hence, Jacob Frank became a Roman Catholic. This proves a Vatican/Sabbatean connection. It confirms what many anti-Jesuits researchers have been saying all along that Frankists were pro-Vatican. Frank himself was baptized in Lwów (September 17, 1759) and again in Warsaw the next day, with Augustus III as his godfather. Frank's baptismal name was "Joseph" (Józef). By 1790, 26,000 Frankists were recorded baptized in Poland. He died in 1791. Some Frankists were involved in the French Revolution since they viewed Napoleon Bonaparte a Messiah figure. Soon, the Frankists (who would try to infiltrate the Jewish, Christian, and Muslim religions) would influence the creation of the Reform Movement. Now, according to Rabbi Antelman, Moses Mendelssohn was the father of the Haskala Movement or the Reform Movement. Moses lived in the late 1700's. Moses' disciple was Marcus Herz. Many of these pro-Frankist/Reform Jews united with the Bavarian Illuminati. The Reform Jewish people help invented the B'nai B'rith Lodge of Masonry (formed in 1843), the ADL, and Labor Zionism.
The Rothschild family has been related to Freemasonry and the elite for centuries. The Rothschilds aren’t originally Rothschilds. Their real name was Bauer or Hahn. **Mayer Amschel Rothschild** was the first major person of this family. He was born in 1744 at Frankfurt am Main, Germany, one of eight children of Amschel Moses Rothschild (d. 1755) and his wife Schönche Rothschild née Lechnich (d. 1756). Mayer was apprenticed to the banking firm of Jakob Wolf Oppenheim in Hamburg, returning to business in Frankfurt in 1763. He became a dealer in rare coins and won the patronage of Crown Prince Wilhelm of Hesse, gaining the title of “Court Factor.” Later, his sons became power bankers in Europe from England, Germany, Italy, etc. **Nathan Mayer Rothschild** was the founder of the Rothschild bank in England. In 2005, he was ranked 7th on the [Forbes magazine](https://www.forbes.com) list of the “The Twenty Most Influential Businessmen Of All Time.” The business magazine referred to him as a "founding father of international finance.” The Rothschild family would fund both sides of various wars, be apart of Freemasonry ([in the Masonic reference book of “10,000 Famous Freemasons“ Vol. 4, pg. 74 James Meyer Rothschild and his brother Nathan Meyer Rothschild were Masons. James Rothschild in Paris was a 33rd Degree Scottish Rite Freemasons and his brother Nathan was in the London Lodge of Emulation. Both brothers are sons of Amschel Rothschild]), have an alliance with the Vatican, and fund the creation of Israel is huge ways (including Jacob Schiff). The Rothschild’s famous logo was a double-headed eagle on a red shield. Rothschild is German for Red Shield. The Double headed represents dualism and equilibrium (along with others meanings). It existed for thousands of years from the Hittites, the Roman Empire, and the Scottish Rite of Freemasonry. Also, the Rothschilds wore a Knight of Malta cross on their clothing. Today in 2009, the Rothschild family supports the global warming hysteria movement. For example, Rothschild Australia and E3 International want to take the lead in the international
carbon credit trading market. Richard Martin, the chief executive officer of Rothschild Australia said, "With recent developments in international climate change policy, the question is no longer if, but when the global carbon trading market will emerge. Rothschild Australia, through Carbon Ring, intends to be at the forefront of this market, providing private investment vehicles to companies seeking to offset their greenhouse gas emissions liabilities." N M Rothschild & Sons supports similar programs as well. New development refute the man made global warming hoax (in hundreds of smoking guns alone). The leader of the environmental organization Greenpeace Gerd Leipold admits he lied about global warming causing ice to melt in the Arctic by 2030. Indeed, it was discovered that during August 2007 to August 2008, Arctic ice had in fact grown by around 30 per cent, an area equivalent to the size of Germany. A new peer reviewed study has also discovered, “Total annual precipitation in Greenland ice sheet for 1958-2007 to be up to 24% and surface mass balance up to 63% higher than previously thought.”

There has been more information exposing the Sabbateans and the Donmeh. The Donmeh were the Turkish offshoots of the Sabbateans. Many have called the Donmeh as using a combination of Jewish and Muslim influences in the cosmology of their organization. Donmeh means turncoats to the Turks since the Ottoman Empire didn't trust the Donmeh people. Some trace the Donmeh's dogma to Sabbatai Zevi. Zevi was a Turkish Jewish false prophet. He deceived a lot of people (in Turkey and Southeastern Europe) and then was exposed as a fraud during the 1600's. Later, his followers influenced the development of the Frankists, Sabbateans, and apostate people. Thessaloniki was a famous place of the Donmeh faith. This faith had Jewish rites at home, while they had the Islamic rites of Ramandan, mosques, and made pilgrimages to Mecca. Jewish people and Muslims called the Donmeh as heretics. Radical Muslims, Freemasons and the Donmeh were key in orchestrating the Armenian genocide in the early 1900’s. Secret societies like Freemasons and even some of the Donmeh were involved in the Turkish Revolution that more secularized the nation of Turkey. These secret orders wanted to eliminate the Sunni Muslims out of the Ottoman Empire. This is similar to the Masonic French Revolution of 1789 wanting to get rid of the monarchs. Sahir Talat Akev of the Kapanci-Izmir group of Donme was the Grand Master of the Masons until his death in 1999. The Bektashi Order according to Fleming could influence the founding of the Shriners. The Shriners swear an oath to Allah to join. The Shriners are made up of high level Freemasons. Troy believed that the Donmeh (or remnants of the Frankist/Sabbaeteans) had connections with the Ottoman Turkish Freemasonry (derived from the Rite of Memphis), which associated with Rudolf von Sebottendorf. Sebottendorf would be a leading Thule Society member & he founded the German Workers Party which Hitler turned into
Many Nazis had Jewish blood like Ritter von Strauss, Alfred Rosenberg (who was half-Jewish), and Heydrich (Many Nazis also collaborated with Labor Zionists in order to try to force Jewish people into Israel. One book proving this information is entitled “Perfidy” as written by Ben Hecht. Edwin Black’s book called the "The Transfer Agreement," document more evidence of this). The Transfer Agreement is Edwin Black's compelling, award-winning story of a negotiated arrangement in 1933 between Zionist organizations and the Nazis to transfer some 50,000 Jews, and $100 million of their assets, to Palestine in exchange for stopping the worldwide Jewish-led boycott threatening to topple the Hitler regime in its first year. The book’s updated edition includes the author's stunning new introduction and a powerful new after word by Anti-Defamation League national director Abraham H. Foxman. The mediator of the Nazis and the Jewish agency for the “Transfer Agreement” was Chaim Zrororov according to Barry Chamish. He was murdered on the beach in Tel Aviv. The Revisionists were blamed for it and the Revisionists were booted out of the Labor Zionists organizations. Another book entitled, “Adolf Hitler, Founder of Israel” (It was written by HENNEKE KARDEL. I don’t agree with everything in this book though) has a source on this information:

“...The cooperation which existed between Heydrich’s Gestapo and the Jewish self defense league in Palestine, the militant Haganah, would not have been closer if it was not for Eichamn who made it public.... The commander of Haganah was Feivel Polkes, born in Poland, with whom in February 1937 the S. D. trooper leader Adolph Eichman met in Berlin in a wine restaurant Traube (Grape) near the zoo. These two Jews made a brotherly agreement. Polkes, the underground fighter, got in writing this assurance from Eichman: “A body representing Jews in Germany, will exert
According to Dr. Henry Makow, Adolph Eichmann created agricultural training camps in Austria to prepare young Jewish people for Kibbutz life. Eichmann visited Israel and talked with Zionist leaders about their expansionist goals. There was even talk of a strategic alliance between Nazi Germany and Jewish Palestine. There was the HAAVARA AGREEMENT. This contract was between the Third Reich authority and Zionist Authority benefiting the interests of both parties. Haavara was intended to promote both the emigration of German Jews and the export of German products to Palestine. The outbreak of war in September 1939 ended the transfer practice. This report is in Himmler’s Archives. In 1921, Winston Churchill supported another White Paper, which limited Jewish immigration, but agreed to have Jewish immigration. Winston Churchill opposed the 1939 MacDonald White Paper. That limited Jewish immigration into Israel by 75,000 in 5 years (and Arabic people will determine more immigration into Israel).

Franklin Roosevelt even prevented Jewish people from living in America during World War Two. When NY Governor Lehman opposed FDR’s court-packing scheme, FDR said to reporters: "What else could you expect from a Jew?" He also told King Ibn Saud of Saudi Arabia in February 1945 that the only offer he might give him was the six million Jews in the US (FDR thereby proposed the murder of all US Jewish people). FDR is more than a traitor than I thought. He didn’t just have foreknowledge of Pearl Harbor and did nothing to help our troops. He was anti gun, he supported Stalin, he wanted a War on Drugs, he issued illegal concentration camps against American citizens, and he enacted the New Deal (which the Supreme Court even said that some parts of it was unconstitutional). Even on November 25th, 1940, pro-Labor Zionists blew up and sank the Patra, which carried Jews escaping from Nazi Europe; the pro-Labor Zionists killed 252 people. In Holocaust Victims Accuse (1977), available on line, Rabbi Moshe Shonfeld says some Zionists sabotaged many attempts to organize resistance, ransom and relief. They undermined an effort by Vladimir Jabotinsky to arm Jews before the war. They stopped an attempt to send food to the ghettos. Dr. Makow says the Zionist Rabbi of Sweden, Dr. Ehrenpreis, scuttled a Swedish attempt to rescue 10,000 Jews. Pro-Labor Zionists torpedoed a similar attempt by the British parliament. Weizmann and the other Jewish establishment leaders organized Jewish traitor patrols on the coastline of Israel to assist the British in keeping out "illegal" Jewish men, women and children who sought refuge from the claws of the Nazis. In Barry Chamish’s “Save Israel!” (Modiin, Modiin House, Israel), he writes (p. 350): “... Chaim Weizmann knew the results of the Holocaust ahead of time and deliberately allowed the slaughter to take place. He ... turned Jewish leaders into mass murderers ... He was sending official proclamations to Jewish leaders worldwide, not to try and save their co-religionists in Europe ...” Finally, in Shabtai Tzvi, Labor Zionism and the Holocaust, which was published also by Modiin, Barry Chamish writes (on pg. 232) that, about a year...
before he became Prime Minister of Israel, Ariel Sharon said that had Jabotinsky been head of the Jewish Agency instead of Ben-Gurion, millions of Jews would have been saved from the Holocaust. *Perfidy, The Transfer Agreement*, and *The Scared And The Doomed* are accurate books (which were created by Jewish people, not anti-Semite bigots) that detail how Labor Zionism prevented the rescue of European Jewry. According to Barry Chamish:

“…Sharett served in the Ottoman army in WW1. Ben Gurion gave up Russian citizenship for Ottoman citizenship, something many others in Palestine were afraid to do. Israeli Presidents Ben Zvi, Zalman Shazar and to a lesser degree Yitzchak Navon became students of Ottomanism…”

It is important to point out that the vast majority of the world Jewish community opposed Nazi Germany because it was controlled by the Nazis. Also, Muslim radicals (not all Muslims) collaborated with the Nazis to kill Jewish people. So, the Nazis worked with both sides of the Labor Zionists and the Muslim radicals in a Hegelian Dialectic in order to promote their new world order. You have to thank God that the Nazis didn't fulfill their goals totally. The Nazis utilized the Vatican’s Knights of Malta funded corporations to murder people millions of people in WWII. In fact, some of the leading members of the Nazi movement in Germany were Roman Catholics like Adolf Hitler, Heinrich Himmler, Joseph Goebells, and Joseph Mengele. Papal Rome had a key role in starting World War Two. Ultimately, WWII pacified Germany completely. This isn't all Jewish people, but a wicked few. These wicked Zionists are typically pro-Socialist/Communist and anti-liberty according to Alan Stang. It's like not all Americans are involved in the Iraq War, but American leaders carried it out.
After WWII, Israel was created in 1948 (Its logo was a symbol of the Magen David, which looks similar to a Hexagram. The Hexagram is known in witchcraft as representing the yani or female or lingam or masculine principles in generation. It has multiple meaning as well). I would say that Jewish people and Arabic people have a right to leave in Israel in tranquility. I respect the real, honorable contributions of Jewish people and Arabic people. Secret orders were crucial in Israel’s development. A picture shows 33rd Degree Freemasons Harry Truman and Chaim Weizmann. Truman is holding a Torah. Truman expressed distain for Jewish people, but united with the man for the sake of the Brotherhood. Harry S. Truman would have a meteoric rise in power via Tom Prendergast (who was a political boss). Prendergast was the head of organized crime in Kansas City. Truman was the executor of the dropping of bombs in Japan when the Japanese were about to surrender to the Americans. Weizmann was a traitor for his own people for not only allowing Polish Jewish people to die in the Holocaust, but he said point blank: "Millions of Jews are dust on the wheels of history that will have to be blown away. They must accept their fate. We do not want them crowding into our Tel Aviv, turning it into a low-grade ghetto," Weizmann (who was pro-Socialist. Chaim Weizmann was the President of the so-called World Zionist Organization and the Jewish Agency. Another traitor was David Ben-Gurion, worked together with the British to prevent Jews from entering the Land of Israel in the 1940s to escape Hitler's inferno in Europe) told the New Judea magazine in its Fall 1937 issue. Ironically, Chaim Weizmann would be the first President of the nation of Israel. In 1958, former Israeli Prime Minister Moshe Sharett said at a memorial: “Sometimes it is necessary to sacrifice the few in order to save the many.”
Also, according to Barry Chamish's research, a Reform Jewish man named Stephen Wise (an ally of a Roman Catholic Bishop named Francis T. McConnell) didn't do all he could to allow Jewish immigration into America during WWII. According to Rabbi Antelman, Rabbi Stephen Wise was the head of the Reform Movement in the United States. Jesuit-trained Patrick Cardinal Hayes of New York controlled McConnell. Barry Chamish accused Wise of being a Communist. Both Truman and Weizmann allowed Israel to be created. So, many Jewish people were traitors to their people by allowing Jewish people to be murder to the sake of creating and ruling Israel. Israel does have a right to exist (Jewish people, Arabic people, and all people have a right to live in Israel), but not at the expense of killing innocent people at all. Before Israel's creation in 1948, various Aliyahs existed. An Aliyah is a big migration period among Jewish people into Israel. Theodore Herzl helped pushed Zionism into the next level. Zionism isn't monolithic and are divided into many camps (like Revisionist, Orthodox, Labor Zionist, pro-Jesuit apostate Christian Zionism, and Biblical Zionism). Revisionist Zionism is interesting to me. Now, it was invented by Vladimir Jabotinsky and he wanted an Israeli state for Jewish people. He hated Ben Gurion since Ben Gurion was a blatant puppet of the West and he didn't do enough to save Jews from the Holocaust (even Barry Chamish exposes Ben Gurion). Jabotinsky endorsed the Irgun instead of the Hagana. He has alleged to said in 1934 that: "...Arabs will participate on an equal footing throughout all sectors of the country's public life....In every cabinet where the prime minister is a Jew, the vice-premiership shall be offered to an Arab and vice versa..." Vladimir died of a "heart attack" in 1940.

After the Balfour Declaration (It was signed in November of 1917. Its supporters include Weizmann, James de Rothschild, Mr. Sokolow, Dr. Tchlenow, Mr. Sacher, Greenberg, etc.), many Arabic people rejected an idea of an Israeli state. Ironically, some Arabic people instead supported a homeland for Jews. For example, Emir Faisal (in 1919) wrote a letter to Freemason Felix Frankfurter supporting Zionism, "We Arabs...wish the Jews a most hearty welcome." Other Jewish people endorsing a Jewish homeland was 33° Freemason Louis Brandeis (a Supreme Court Justice) and 33° Freemason Edmund Rothschild. Many Israelis are righteous and some aren't. Many Ashkenazi Labor Zionists killed thousands of Sephardic and Yemeni Jews (some of them were discriminated against in Israel because of their skin color and physical appearance. Let’s be blunt here) via x-Rays in the 20th century. The Sephardim were very religious and traditional. This was written about by the Israeli patriot Barry Chamish. Not to mention that the Sephardim were oppressed by many Muslim nations in the 1940’s and the 1950’s. There is also the hidden oppression of Israeli Christians in Israel and Christians being abused in Egypt (and other nations of the Middle East). One secret group harassing Christians is called the militantly Orthodox Lubavitch Chabad organization. They have a headquarters in Eastern Parkway at Brooklyn, New York. The Lubavitch Chabad
are known for educating people about Judaism worldwide and building facilities. Some of them follow the Kabbalah. They want to enforce the Noahide Laws and make Jewish people to just accept the Torah (when the Torah is only apart of the Word of God). The Noahide Laws are a theocratic agenda where certain rules are followed. They are a set of seven moral imperatives that, according to the Talmud (which is man made tradition, not the Word of God), were given by God to Noah as a binding set of laws for all mankind. Bush Sr. signed a law with the Lubavitch Chabad in support of these laws. Notice that the ACLU didn’t protest this as a “seperation of church and state.” The Chabad also supports the Left gatekeeper Alan Dershowitz. Dershowitz supports torture like a neo conservative. They have been involved in court battles to publicly display a Menorah, which I don’t have problem with. Adherents of the Noahide Laws are often called B’nei Noach (Children of Noah) or "Noahides" and may often network in Jewish synagogues. Many of these rules are legitimate, but the catch is that there is a theocratic judiciary to handle these rules. Some believe that these laws target Christians since the law forbids worshipping a man as God (Now, Christians worship Jesus as God, so the Noahide Laws would be against that since it’s supported by pro-Orthodox Jewish people). Pam Schuffert writes that the Lubavitch Chahad acted violently toward missionaries and especially Messanic Jewish believers. To be fair, many unjustified acts of violence have occurred against the Lubavitch Chabad as well. So, the Lubavitch Chabad needs the real Gospel.

Many of the Jewish elites are CFR members like Paul Wolfowitz, Edgar Bronfman (who is part of the World Jewish Congress. Edgar is one of the most powerful Jewish people in the world), and Wolfenson. Israeli writer Barry Chamish confirms this in his many books. The Anti-Defamation League has the Cardinal Bea Interfaith Award making a Papal link to the group. Israel today is controlled and influenced by those in America and Europe (That is why Israelis and other Middle Eastern leaders are members of Papal Knighthoods, some are bounded under the Vatican, some are Jesuit-trained, and they are under control by foreign powers. Bashar al-Assad is a member of the Vatican's Order of Francis I. He’s the President of Syria). Foreign powers control Middle Eastern policies in a heavy degree to the detriment of the Jewish and Arabic people that live there. Many Jews and Arabs living there are followers of God. Hence, these Labor Zionists are controlled by the Vatican elite, high level Freemasonry, and the Pilgrims. One example of this is how Jesuit-trained leader Shimon Peres supported the Vatican Accords and the EU/CFR-backed Olso Accords. That is why Rabbi David Rosen was made a member of Papal Order of St Gregory. Some of the Labor Zionists (and their allies, who are the ideological descendants of the Sabbateans) want to work with others to reconstruct Solomon’s Temple in Jerusalem.
What’s the deal? The deal is that as Rabbi Marvin Antelman proves, occultists and evil people have tried to infiltrate Torah Judaism (including some in Fundamental Christianity) in order to destroy it and form a new world order (This is similar to John 19:15 when apostate Jewish people said “We have no King, but Caesar” being traitors to their own Jewish people). They crypto-Frankist Sabbatain Labor Zionists serve the Vatican/Jesuit network. There is a remnant of believers in God that will never submit to the evil of the internationalists. The murder of Jewish people, Christians, Muslims, etc. have been done by globalists for a very long time. Also, Zionism isn’t monolithic. Some Zionists are peaceful and love God. Other Zionists are indeed wicked, pro-Socialist/Communist, and have done evil deeds for decades. These evil Labor Zionists (and their cousins like the Kadima Party or the Likud Party) are apart of the new world order system. The deal is that we have a fair approach in the Middle East. We should never embrace dual citizenship or have unconditional support for any nation in the Middle East at all. Both sides ought to solve their own problems ultimately. We should expose and oppose all evil. Yet, we should be meek to all. Yet, we ought to show love to all human beings irrespective of their background.
Appendix B: Arthur Koestler

Arthur Koestler was not only a traitor to his own Jewish people. He was the one who pushed the lie that most Jewish people are descendants of the Khazars. The Khazars are Turkish tribes (with links to Ugrian peoples) who were phallic worshippers. Their Kings converted to Judaism to trade more efficiently between Christian and Muslim peoples in the Caucasus region. This area where the Khazars lived was between the Black and Caspian Sea. Later, the Khazars were mostly gone by intermarriage with Europeans. Arthur claims that the Ashkenazi tribes are related to the Khazars completely and therefore are false Jewish people. The problem with this argument is that Ashkenazi Jewish people existed in Germany long before the Khazars were in prominence at all. The Khazar Empire didn't even exist in parts of Eastern Europe. That document of “The Encyclopedia Britannica,” Ninth Edition, 1903, Volume XIV, pp. 59-60 outline an accurate portrayal of the Khazars. The Khazars would trade with the Byzantium Empire. The Khazars existed from 190 A.D. to 1100 A.D. They reached their peak from 600-950 A.D. They existed from the Caucasus Mountains. One of their capitals was Itil. There were merchants from Baghdad, Armenia, and Byzantium that traded with the city of Itil in honey, wax, furs, and leather. The Encyclopedia said that there were lighter skinned (or Ak-Khazars) and darker skinned (or Kara-Khazars) Khazars. One ruling dynasty in ca. 740 adopted Judaism for political and commercial reasons (the Jewish people inspired on their kings named Bulan to convert), yet no evidence existed that the majority of the Khazarian people
adopted the Jewish religion at all.

Also, new genetics tests proves that the Ashkenazis are related to the Sephradic, Yemeni, Lemba, and other real Hebrews tribes today. Even the anti-Semitic "evolutionary psychologist" Kevin MacDonald admits to this fact in his book “A People That Shall Dwell Alone,”:

"….Recent genetic studies have confirmed the genetic integrity of Jewish groups discussed in Chapter 2 of PTSDA. These studies confirm the Middle Eastern origins of Jews and show that Jewish groups remained genetically separate from the peoples they lived among over the last 2000 years. Based on Y-chromosome data, Hammer et al. (2000) found, that various Jewish populations (Ashkenazi, North African, Kurdish, Yemenite, and Near Eastern) were not only closely related to each other, but also closely related to other Middle Eastern groups (Syrians, Lebanese, Palestinians) and quite separate from European groups. On the assumption that there have been 80 generations since the founding of the Ashkenazi population, the rate of genetic admixture with Europeans has been less than half a percent per generation. This level of genetic admixture is consistent with supposing that there has been essentially no conversion of Europeans to become mating members of the Ashkenazi gene pool.

The very low levels of genetic admixture with Europeans may well have come from clandestine matings and rape. Two other recent Y-chromosome studies also found that Israeli Jews derive from the Middle Eastern gene pool (Nebel et al. 2000, 2001). Nebel (2000) found that 70% of the Y chromosomes of Jews and 82% of the Y chromosomes of Palestinians belong to the same chromosome pool, suggesting a common ancestry. However, Nebel et al. (2001) found evidence that Jews are even more closely related to the Kurds. Muslim Kurds were located near Kurdish Jews and between Sephardic Jews and Ashkenazi Jews. When compared with European populations, Ashkenazi Jews were more genetically distant from European populations than they were from Sephardic Jews, and they were also closer to Arab populations (e.g., Palestinians, Syrians, Lebanese). Sephardic Jews were genetically distant from both Spaniards and North Africans despite having lived among them for centuries. Indeed, they remain very close to Kurdish Jews, a finding the authors attribute to genetic continuity with Jews exiled by the Assyrians in 723 B.C. and the Babylonians in 586 B.C. Kurdish Jews remained closer genetically to Ashkenazi and Sephardic Jews than to Kurdish Muslims, a truly remarkable finding, since it indicates no detectable genetic admixture between Kurdish Jews and their hosts over approximately 2700 years. Finally, despite some differences, there is a great deal of genetic affinity between Sephardic and Ashkenazi Jewish groups, confirming the findings of Hammer et al. (2000)...."
Here’s more research on the Khazar issue:

“...The idea has been widely discredited by reputable historians, because the real history of the Jewish people is far too well documented to sustain such an idea. They point out that the theory presupposes lots of gentiles assimilating into Jewish society, the exact opposite of what normally happens where Jew/Gentile intermarriage occurs. In reality only a tiny number of Khazars converted to Judaism, while far more converted to Islam and also some to Russian Orthodoxy. The Khazar converts to Judaism had disappeared by the 14th century, largely by being incorporated into already existing Jewish communities in Poland. There is also a problem of what happened to the real Jews who are supposed to have mass-evangelised the Khazars, then disappeared without trace out of history. Many anti-semites quote Koestler as though he were verbally inspired, thus damning the Jews because they supposedly aren’t real Jews. Whereas the Nazis and those who absurdly called Jews 'Christ-killers' damned them because they were real Jews! The studies by Hammer et al. shows that the Ashkenazi Jews really are the same people group as the other Jews, and that there is a common ancestry for the Cohanim from Ashkenazi and Sephardic Jews, so are the last nails in the coffin for Koestler's idea.” (From http://creation.com/genesis-correctly-predicts-y-chromosome-pattern Genesis correctly predicts Y-Chromosome pattern: Jews and
Arabs shown to be descendants of one man! by Jonathan Sarfati).

This lie about most Jewish people being Khazars was first publicly proposed in a lecture given by Ernest Renan on January 27, 1883, titled "Judaism as a Race and as Religion."

It's been established that Jewish people and Arabic people are genetic brothers and they are closely related (therefore most Jewish people aren't descendants of Khazars). BBC News on May 10, 2000 reported on how Jewish people and Arabic share a common genetic heritage spanning back thousands of years. A study used over 1,300 men in over 30 countries worldwide. The study, published in the Proceedings of the National Academy of Sciences, found that Jewish men shared a common set of genetic signatures with non-Jews from the Middle East, including Palestinians, Syrians, and Lebanese. They've used the Y chromosome in their DNAs to find the relationships. Since many Jewish tribes today are the Lemba, Mizrahim, Yemeni, Lemba, and other non-Ashkenazi Jewish tribes exist in Israel and they aren't Khazars at all. The Mizrahim Jewish people were in the Middle East and North Africa for thousands of years. The Mizrahim lived on the land of present-day Iraq, Egypt, Syria, Morocco, and Yemen. Many Jewish people living in Israel are people of color like the Ethiopian Jewish people or the dark brown skin people of the Yemenite Jews. There are even Iranian and Iraqi Jewish people that migrated into Israel. According to the Encyclopedia Judaica, Vol. 994, Jews were in Germany as merchants in 321 and 331 A.D. at Cologne. There were Jews in Russia in the 1st century A.D. and in Pannonia (Yugoslavia) in the 300's. There was a menorah discovered in Arles in the 100's, 200's, 300's, and 400's A.D. and Jewish communities all over Europe. There were the Ashkenazim before the Khazars existed (500's A.D.) These Jews clearly originated from the Jews in the Bible. There are Sephardim, Ethiopian, sub-Saharan African (i.e. Lemba), Indic, Asian, and other Jewish tribes that from Abraham, Isaac, and Jacob, so even if the Ashkenazi Jews aren't real Jews, real Jewish people are found existing today descended from the ancient Hebrews.

Arthur lies and said that Jewish people have no right to live in Israel when Jewish people lived in Israel for over 2,000 years during the time of the ancient Romans, Byzantium, the rise of Islam, during the Crusades, and during the Ottoman Empire even. Jeff Rense is one of the prominent promoters of the lie of the Khazars being false Jews (including that the Zionists alone rule the world mantra). Rense and others ignore the role the Vatican/Jesuit network had in the Holocaust and other events in the Middle East. There are evil Labor Zionists in Israel and their philosophies existed from the pro-Sabbateans/Frankists crowd (who love the occult. Jacob Frank had dealings with the Vatican). Many of them are under the authority of the Vatican like Peres being trained by the Jesuits. Now, people like Daryl Bradford Smith, Rense, and their ilk refuse to make a distinction between the wicked Labor Zionist elites and regular Jewish people on the street. Baron Knigge, the guy who boosted the ranks of the Bavarian Illuminati leaving over his anger that Weishaupt
was a Jesuit agent. The Oslo Accord existed in the early 1990's & "the Vatican Accord," which Jesuit-trained Vatican asset Shimon Peres snuck in support of. The Vatican Accord handed over the Temple Mount & much of the holy sites in Jerusalem to the Vatican. Arthur Koestler & his 1976 book 'the Thirteenth Tribe' offers the false solution that Jewish people should all migrate to Israel or drop their Jewish heritage all together. As The Encyclopedia of Judaism (1989) emphatically states, "The notion that Ashkenazi Jewry is descended from the Khazars has absolutely no basis in fact." Jews already lived in Europe a thousand years before the Khazar kingdom was formed. There are no genetic markers or indicators at all showing that Ashkenazi Jews are descended from Turkic tribes. In fact, there exists considerable genetic evidence showing that European Jews are closer to Levantine and Syrian Arabs than to Central Asians.

A number of more serious books about Khazars are now on the market, including "The Jews of Khazaria" by Kevin Alan Brook. Rabbi Bernard Rosensweig was one of the leading figures in debunking the Khazar theory of Ashkenazi Jewish origins. Writing in Tradition (16:5, Fall 1977, pages 139-162), he dismissed it as "wobbly scholarly foundations without historical support." Likewise, the Swedish archaeologist Bozena Werbart, an expert on the Khazars, wrote: "In the Khazar kingdom, Koestler wanted to see the origin of the eastern European Jewry. Nevertheless, all the historical and linguistic facts contradicted his theories."

D.M. DUNLOP from his “HISTORY OF THE JEWISH KHAZARS” (Princeton Univ. Press, 1954) states that: "It only remains now to consider the theory that the modern Jews of eastern Europe, or more particularly those in Poland, are the descendants of the medieval Khazars. This can be dealt with very shortly, because there is LITTLE EVIDENCE which bears directly upon it, and it unavoidably retains the character of a mere assumption. ... To speak of the Jews of eastern Europe as descendants of the Khazars...would be to GO MUCH BEYOND WHAT OUR IMPERFECT RECORDS ALLOW." (pp. 261,263. Emphasis has been added to quotations. Dunlop is a source book for Koestler. Koestler believes the theory that east European Jews are descendants of the Khazars.)

Arthur Koestler’s parents were Jewish, but later in 1949-50 Koestler ‘renounced’ his religious heritage. Arthur Koestler became a lifelong atheist. As a businessman, Arthur Koestler was unprejudiced. He financed disastrous inventions like the envelope opening machine and radioactive soap. He established The Koestler Foundation, which exists to promote research in parapsychology and other fields. Arthur Koestler was a raper of many women. Arthur Koestler beat up and raped several women, including Jill Craigie, the actress and wife of his friend Michael Foot, according to a new biography. He is also inspired more anti-Semitism just like Romanist Benjamin Freedman, so the Papal agenda has always been to bashed Jewish people. He persuaded his healthy wife to commit suicide with him in 1983 like a coward. Koestler was apart of the Hemlock, so he accepted the sick
tenet of euthanasia. Koestler spent 3 years in the Communist Kibbutz (which is the same thing as a commune, which the Labor Zionists supported). The Labor Zionists have finite reach in world geo political, while they are overshadowed in power to the Vatican (including their Knighthoods, the Jesuits, Knights of Malta, The Pilgrim Society, etc.). Koestler claimed that this literature on the Khazars would defuse anti-Semitism, but it had the opposite effect.

Jesus Christ is God's answer to racism. Paul admonishes the Galatians that they are to make no distinctions among those belonging to Christ; they are to be as one: "For all of you who were baptized into Christ have clothed yourselves with Christ. There is neither Jew nor Greek, there is neither slave nor free man, there is neither male nor female; for you are all one in Christ Jesus" (Gal. 3:27-28).

Appendix C: Benajmin H. Freedman

Benjamin H. Freedman is a famous Jewish person being another self hater. Freedman was born Oct 4, 1890 in New York City. He hated his race so much that he converted to Roman Catholicism. The Vatican is the same group that butchered his race for centuries. According to “The Dark Side of the Papacy” being created by Peter De Rosa (from 1988 whose Publisher is Crown Publishers, Inc.):

“…The [Roman Catholic] Church has a long record of anti-Semitism. Popes in the Borgia era created a ghetto for the Jews, required them to wear distinctive
yellow hats whenever they ventured out… The Holy Fathers [Ed. Note: i.e., the popes; the title “Holy Father” belongs only to GOD] could be more vicious toward those among its own who opposed the power of the [Roman Catholic] Church. [Pope] Innocent III [pope: 1198-1216] murdered far more Christians in one afternoon – 12,000 – than any Roman emperor did in his entire reign. Popes reintroduced torture into the judicial system. And more recently, within the last century, popes have called religious freedom madness, free elections godless, and a free press tantamount to atheism.”

Many bigots use his words as accurate representations of the truth. Some of these bigots try to justify their hatred and try to infiltrate the Patriot Movement by citing his literature. They feel since he’s Jewish, all Jews are devils. Now, even Freedman’s words have been proven to be lies on many levels. It’s time to fight for the truth. One anti-Semitic bigot told me that it’s war since I refuse to accept his British-Israelism lies. Well, I don’t war with flesh and blood. There is a war, but God has been the victor. Freedman gave a famous speech to people. Freedman said that before August 1, 1916, Germany won WWI. The truth is that the war was a stalemate (like after the Battle of Somme) before the Allied forces won WWI. Germany was fighting Britian, America, and France combined. Benjamin Freedman claimed that French (losing 600,000 troops at Somme) and Russians troop mutinied. That didn’t happened. The French lost abut 150,000 troops in Verdun. Benjamin Freedman falsely claimed that a German peace offering occurred in WWI. He claims to be at the Paris Peace Conference with 116 Jewish people. Yet, there hasn’t been an independent outside source proving that Freedman was there at the Conference. Benjamin Freedman believed that all of the members of the American Jewish Delegation to the Versailles Peace Conference were pro-Zionist. Here’s the truth. The members of the American Jewish Delegation to the Versailles Peace Conference included many anti-Zionist Jewish people. The anti-Zionists in the American Jewish Committee, including Adolph Ochs, the publisher of The New York Times, refused to go along with their own more moderate leaders (they didn’t want a new homeland in Palestine at all. This has been recorded in the work, entitled, “The Jews in America” by Arthur Hertzberg). Also, Chaim Weizmann and the Arabic leader Faisal Hussein (who lead the Arab delegation after WWII) had an agreement for a homeland of Israel. Freedman ignores this. Faisal was the first King of Iraq. Faisal’s father was Sharif Hussein. Freedman lied and said that Jewish people collectively was responsible for the German defeat of WWI (he even claimed that 98% of all Communists were Jews when there is no conclusive evidence for that all). Freedman claimed that the Jewish boycott of Germany was effective. The truth is that the Untermyer boycott was so incredibly ineffective that Germany had experienced complete economic recovery by 1937. Freedman believes in the hoax of an anti-Semitic quote attributed to Ben Franklin that was actually created by William Dudley Pelley in 1933. Freedman lies and said that there is no Judea in ancient times.
The Jewish ethnonym in Hebrew is יְהוּדִים (plural of יְהוּדִי Yehudi) which is the origin of the English word Jew. The Hebrew name is derived from the region name Judah (יְהוּדָה Yehudah). Originally the name referred to the territory allotted to the tribe descended from Judah the fourth son of the patriarch Jacob (Numbers). In the Book of Esther we find the earliest reference of the word "Jew" being used. The name appears in the Bible in a verb form, in Esther 8:17 which states, Many of the people of the land "mityahadim - became Yehudim/Judeans/Jews" because the fear of the Yehudim fell on them. Also in Esther we find that the name "Jew" is given to a man from the tribe of Benjamin, in Esther 2:5-6. The most common view is that the Middle English word Jew is from the Old French giu, earlier juieu, from the Latin Iudaeus from the Greek word Ἰουδαῖος. The Latin simply means Judaean, from the land of Judaea. In the Old English the word is attested as early as 1000 in various forms, such as ludeas, Gyu, Giu, Iuu, Iuw, Iew. These are facts regardless of what the Papal agent Benjamin Freedman says. Like others, Freedman believes that Khazars are the false Jews living in Israel when the Ashkenazim lived in the Rhine Valley region in the 300’s A.D. Benjamin Freedman is right that we should send not billions of dollars in the Middle East (especially now when we have a grave recession), but that doesn’t justify his hatred of Jewish people at all. He claimed that Taft was President during the 1905 Russian Revolution when Theodore Roosevelt was President not Taft. He called Hohenzollern Jewish when that was the surname of the royal family of Germany. They were not Jews. It’s true that many secular Jewish people are involved in the new world order conspiracy (and play a role in both world wars). Yet, even they are having their strings pulled by more powerful people of the Vatican, the Pilgrim Society, high level Freemasonry, and the influential bloodlines (that have existed for thousands of years stirring Empires). Benjamin Freedman falsely said that Christians (from America) will sent into Palestine to fight against Muslim Arabic people and Christians, which isn’t occurring now at all. Freedman claimed that the Kol Nidre was about forsaking all oaths, vows, or pledges among Jewish people for the next 12 months (as said in a synagogue). The reality is that Kol Nidrey nullifies only vows made to God. This is one of the oldest libels against Judaism and has been disproven repeatedly.

One of the smoking guns proving that Freedman is a shill is that he associated with Nelson Bunker Hunt. Nelson Bunker Hunt is not only a member of the Council on National Policy, but he’s apart of the Jesuit-infiltrated John Birch Society. Hunt is also a member of the Military and Hospitaller Order of Saint Lazarus of Jerusalem. The Order of Saint Lazarus has been linked to Lady Malcolm Douglas Hamilton. Lord Hamilton was the host to Rudolph Hess, Hitler’s second in command, when - in 1940 - Hess made his secret flight to England. Hess was seeking to meet with the British aristocratic circle known as the "Cliveden Set. Hunt is well connected to scandals and the establishment. It is true that Labor Zionists and certain people related to Israel have done a lot of evil in the world. That must be exposed. Yet, that shouldn’t be the only thing exposed.
Michael Delaney (or Prothink) is another Pro-Papal Jewish hater as well in Freedman’s ilk. Delaney refuses to expose how many Israeli/Arabic elites are members of the Papal Constantinian Order and the Order of Francis I. Here’s more of the Vatican/Jesuit link to the new world order that Delaney refuse to expose for obvious reasons:

- Pope Leo XIII’s Cardinal Secretary of State, who is Mariano Rampolla del Tindaro (1843-1913) is a member of the Masonic Ordo Templi Orientis.

- The billionaire Knight of Papal Royal Order of Francis I Nadhmi Auchi once was a friend of Saddam Hussein. Auchi is now an ally of pro-CFR President Barack Obama. Auchi is a very rich man and is apart of the Knight of St. Sylvester. Nasser David Khalili, and others were members of the Papal Knights of St. Sylvester. SYRIAN PRESIDENT AL-BASSHAD, Prince Khalid al-Faisal, and Prince Bandar bin Khalid are members of the Knight of the Order of Francis I. The PLO even has a Vatican Office now. Its head is Mahmoud Abbas.

- King Abdullah II of Jordan was trained by the Jesuits in the Edmund A. Walsh School of Foreign Service at Jesuit Georgetown University. He holds the rank of Field Marshal in the Jordan Arab Army and Marshal of the Royal Jordanian Air Force. As of June 18, 2007, King Abdullah of Saudi Arabia is a part of the Catholic Order of the Golden Fleece.

- The Anglican Church’s Archbishop of Canterbury is a Knight of the Duke of Castro’s Papal Order of Francis I. It’s no surprise that the Anglican Church has allied with
Freemasonry and the Papacy for numerous years.

Troy made the further connection between the SMOM/Constantinians along with high level British Freemasonry. For example, the Duke of Kent’s son (The Duke of Kent is Prince Edward or the head of the UGLE or the United Grand Lodge of England) named Lord Nicholas Windsor married with a Roman Catholic. The Constantinian Order is made up of the royal/aristocratic elites of Roman Catholic Europe. This is crucial nexus that is taboo and many in the alternative media aren’t talking about. The Queen of England, Queen Elizabeth, meets with the Popes and wears a Maltese cross. She is working with the Knights of St. John as well. She is of the Windsors or the pro-Roman Catholic Saxe-Coburg Gotha family tree. The Duke of Kent is the cousin to the Queen and the Duke of Gloucester. The Duke of Kent (or Michael)’s brother is Prince Michael and he’s the Grand Master of the Grand Lodge of Mark Master Masons.

Now, the Knights of Malta own plus control huge wealth of much of the military, pharmaceuticals, other prominent corporations, some of our educational systems (like a Knight of Malta is the President of Georgetown University), and the politics of the globe. They are controlled by their Grandmaster Matthew Festing today. He is subsequently controlled by the Vatican and the Jesuits whose leaders are Pope Benedict XVI and Jesuit General Adolfo Nicholas. Now, it’s been discovered that people like Antonio Brown (who was pictured with the Knight of the Virgin Bonesman George W. Bush, Laura Bush, Mike Tyson, and Donald Trump), Alexandr Cach, Mike Faraone, and Joey Demaio are all Knight of Malta in the 21st century. Brother Nicholas Rivera found some more information on Cach. He found out that Cach owns his Graddo company. Cach was apart of the INEOA and allied with the DEA (which promotes the never ending, anti-liberty federal Drug War. These Knights are also in league with the Knights and Jesuit trained agents found in the Justice Department, the DHS, and the CIA). Cach has been in the establishment and he was awarded by Citigroup/Citibank as found by Nicholas Rivera.

George H. W. Bush has been awarded the Order of Merit from the Sovereign Military Order of Malta. Knight of Malta Edward L. Hennessy Jr. is a leading international banker in the world. He was a CEO of Applied Signal, Inc. and he is a financial consultant to the Vatican. Edward was once a 14 year Chairman of an trustee of his alma mater the Farleigh Dickinson University. He is a Knight of St. Gregory (like Rupert Murdoch of FOX News), and A Knight of the Equestrian Order of the Holy Sepulchre. Hennessy was also director of Lockheed Martin, Traveler’s Insurance Company, Automatic Data Processing, New York Stock Exchange, Union Texas Petroleum Corporation, the United Way of Tri-State, the Coast Guard Academy Foundation, Inc., DNA Plant Technology Corporation, the National Association of Manufacturers, the Federal Reserve Bank of New York, the United States Export and Import Bank. The Knights of Malta are subordinate under the Papacy and the Jesuits.
Edward Cardinal Egan is the "spiritual head" of the Knights of Malta in America. Egan is a French-Neapolitan Constantinian Knight and a Knight of the Suke of Savoy led Order of Sts Maurice & Lazarus according to Troy. P2 Mason Victor Emmanuel is the Duke of Savoy. Knight of Malta Geoffrey T. Boisi is another banker. He is a trustee of the Brookings Institution and a Member of the Board of Freddie Mac (2004-). Boisi is a Trilateralist and works with many corporate interests for decades.

*Anti-Semitism is shown by these shills (like Daryl Bradford Smith, Fr. John Martinez, Ongir, etc.), because it’s in the interests of the Vatican and the Jesuits (in order to take blame off of them plus to further create the new world order). That is why real patriots are slandered as Nazis and anti-Semites by the actions of a small few of extremists. This anti-Semitic fury is shown in attempting to discredit the Word of God since every author of it was Jewish (except the apostle Luke). The King James Bible especially is hated by not only skeptics, but Jesuit agents (who created their distorted Jesuit-inspired Douay-Rheims Bible version). Darryl Eberhart, Troy, those from Unhived Mind, Eric Jon Phelps, Jack Chick, CT Wilcox, and others are some of the few researchers exposing this Vatican connection to the new world order. Eberhart warns against some people that promote Jewish bashing from Jeff Rense, AFP, Ted Pike, numerous individuals in the RBN network, and others. The former AFP editor, Christopher Pethrick, was educated at Canisius a Jesuit College and is an active financial donor. The essence of Romanist heresy, Kabbalah heresy, and many New Age heresies are Babylonian of origin. The Mysteries from ancient Babylon & ancient Egypt are still with us today.

Appendix D: Myron Fagan
Fagan deceived even non-racist new world order researchers. I was once deceived in checking out his information. Now, I now his information has deception and it’s utilize to attempt to discredit real Patriots in exposing the new world order. Fagan (ironically was a Jewish American) gave his speech in the 1960’s about many issues. Between 1967 and 1968 Fagan recorded ‘The Illuminati and the Council on Foreign Relations' which talks about the CFR and the Illuminati. Fagan believes that Communists have infiltrated Hollywood. He said that United Nations is at the crux in a conspiracy to destroy national sovereignty. While, it is true that the U.N. have made bad policies for decades. The United Nations are indeed anti-American national sovereignty via their policies. Yet, the new world order agenda is bigger than just the United Nations. Fagan believes that Adam Weishaupt was Jewish who created the Illuminati. The reality is that Adam Weishaupt was not Jewish. He was a professor of canon law in Ingolstadt University. He formed the Illuminati with others in 1776 in Bavaria. Weishaupt created the Illuminati by himself not at the behest of the House of Rothschild (when there was no major House of Rothschild back then). Adam Weishaupt became a Freemason in 1777. Also, Gentile Adolf Freiherr Knigge worked with him. Fagan claimed that the Dillions, Clarence and Douglas Dillon’s original name was Laposky. That is untrue. Myron Fagan believes that the Rothschilds funded both sides of the Napoleon War. From 1813 to 1815, Nathan Mayer Rothschild in London was instrumental in the financing of the British war effort, handling the shipment of bullion to the Duke of Wellington's army in Portugal and Spain, as well as arranging the payment of British financial subsidies to their Continental allies. In the 19th century a legend began which accuses him of having used his early knowledge of victory at the Battle of Waterloo to speculate on the Stock Exchange and make a vast fortune. Other sources shown that this legend originated in an anti-semitic French pamphlet in 1846, was embellished by John Reeves in 1887 in The Rothschilds: the Financial Rulers of Nations.

Then, it was repeated in other later popular accounts, such as that of Morton. Many of the alleged facts stated are incorrect. For example, it has been shown that the size of the market in government bonds at the time would not have enabled a scenario producing a profit of anything near £1 million. Myron Fagan believes that the Synagogue of Satan is about Zionism when that Synagogue is about false Jewish people. This synagogue refers to unbelievers that are anti-God and members of Secret orders that claim to be Jews, but they aren’t. Myron Fagan believes that only 600,000 Jewish people died in the Holocaust when there were millions of Jews in Poland alone. Also, even if that were the case (which it isn't), there is no justification for it (also millions of Gentiles died in Holocaust and Soviet Holocausts as well not just Jewish people). The Catholic Ustashi murdered over 600,000 Jewish people, Serbs, Gypsies, etc. alone in World War II. He believed that Weishaupt ordered the Illuminati to fight the Revolutionary War and the French Revolutionary war in 1789. There is no evidence that Adam Weishaupt directly started the Revolutionary War, but Freemasons were apart of
Weishaupt didn't directly begun the French Revolution, but there is evidence that Freemasons, offshoots of the Bavarian Illuminati, and Jesuit trained leaders were involved in the French Revolution. Fagan believed in the existence of Whittenburg Square Library in Philadelphia, when there is no evidence for its existence. There was no new Bank of England as Myron claims since it was already invented in 1694 before Nathan Rothschild was even born. There was no Clinton Roosevelt being a relative of FDR. Isaac Roosevelt existed in the 1850's despite what Fagan says. Fagan falsely claims that the Protocols of Elders of Zion was authentic. The Protocols claims that Jewish people used Freemasonry to achieve world domination for Jewish people. It describes 25 protocols. The Protocols was found to be a hoax and a case of plagiarism. The original source has been identified as an 1864 book by Maurice Joly entitled *The Dialogue in Hell Between Machiavelli and Montesquieu*, which was written as a satirical attack against the ambitions and methods of French Emperor Napoleon III. In the book, Machiavelli represented Napoleon III, and described a series of steps that he intended to take to become ruler of the world. The Joly book was in turn based on material borrowed from a popular novel of the time by Eugène Sue entitled *The Mysteries of the People*, in which those plotting to rule the world were the Jesuits instead of Napoleon III. Neither the Joly book nor the Sue book mentioned either Jews or Masons. Based on evidence repeatedly corroborated by British, German, Ukrainian, Polish and Russian sources over a 75 year period, *The Protocols* far from being a "discovered" document as it was claimed to be, was in fact deliberately fabricated sometime between 1895 and 1902 by Russian journalist Matvei Golovinski. In a Swiss lawsuit in the late 1930s concerning circulation of the Protocols "Two of the Russian witnesses gave testimony pointing to the involvement of Pyotr Ivanovich Rachkovsky in the forgery". Rachkovsky was head of the Paris branch of the Russian secret police. Some believe that Russian authorities forged Joly’s work to create the Protocols. Nazis (even 33rd Degree Freemason Henry Ford who aided the Third Reich) and other racists used the Protocols as an excuse to harm Jewish people. On November 28, 1993, The Los Angeles Times reported that the Protocols were ruled an anti-Semitic forgery in a Russian court. Texe Marrs sells and enthusiastically endorse the hoax of the Protocols of the Elders of Zion. Marrs is known for his villification of Jewish people collectively (which is bigotry on his part) on plenty of occasions. What is true about Freemasonry is that it has death oaths, it embraces the Kabbalah, and some high level Masons do want a new age in the world (like 33rd Degree Freemason C. William Smith). Smith said that: “...This plan, dedicated to the new order of things, is to make all things new - a new nation, a new race, a new civilization and a new religion, a nonsectarian religion that has already been recognized and called the religion of 'The Great Light'...so also Providence has chosen the Nordic Race to unfold the 'New Age' of the world - a 'Novus Ordo Seclorum'...” (Bro. C. William Smith's "God's Plan in America," in the September 1950 issue of The New Age Magazine)

He promotes the racist hoax of 'A Racial-Program for the 20th Century.' It was first edited and disseminated to the public in 1903 by Pavel Krushevan, the instigator of the Kishinev pogrom. A pogrom is a persecution of Jewish people in harassment, assaults, and even murder. Eustace Mullins was the creator of the Israel Cohen hoax. On August 30 of that year, Rep. Abraham J. Multer of New York read the *Star article*
into the *Congressional Record* and raised several other points challenging the quotation's authenticity. These included the nonexistence of a British Communist party in 1912 (it was founded in only 1920), the nonexistence of a British Communist author named Israel Cohen, and the failure of a book entitled *A Racial Program for the Twentieth Century* to appear either in the *Library of Congress* or in the *British Museum* Catalogue of Printed Books. The book hoax promoted racism. Eustace Mullins says that the Jewish community created the Holocaust and that the rest of the world had no problem with the Jews. These are lies since Jewish people have been killed in the Inquisitions for centuries. Also, the Holocaust was created by the Nazis.

Myron Fagan believes that there was little to no bigotry in America during the late 1800’s and the early 1900’s. That’s a lie since Jim Crow, murders, lynchings against Black Americans, etc. existed greatly in that timespan. Now, Fagan disagrees with the desegregation Supreme Court decision of 1954. Now, that’s interesting, because all citizens must have legitimate freedom. **Forced segregation is antithetical to the concept of individual liberty.** You can’t be against the new world order and want to deprive your fellow man of their God-given right to live where they want (or to be educated in whatever facility that they want to). Also, he claimed that the civil rights movement was a Communist plot in using blacks to cause riots. It’s true that elitists infiltrated the Civil rights Movement, but many folks in it were sincere in wanting liberty for all people. There is nothing wrong with that at all. Myron Fagan is right to disagree strongly with the Federal Reserve. He claimed that Jacob Schiff supported Communism. **While Schiff wanted to topple the Tsar because of his pogroms, he later opposed Trotsky plus Lenin because they were Communists (after Kerensky’s government was toppled in 1917 according to Anthony Sutton. Some believe that Jacob Schiff gave Leon Trotsky 20,000,000 dollars though).** It is significant that documents in the State Department files confirm that the investment banker Jacob Schiff, often cited as a source of funds for the Bolshevik Revolution, was in fact against support of the Bolshevik regime. Communism itself didn’t exist with Jewish people. Communism existed in ancient Greece, England, and other places before Karl Marx. According to the book, Marx and Satan, Marx was a closet Satanist. In fact the Jesuits had the Communes with Communism even in the 1600’s in Paraguay. So, anyone claiming that the Jewish community originated Communism is dead wrong. Communism is an ancient Mystery concept.
Fagan falsely accused Woodrow Wilson died of syphilis when he died of a stroke in October 1919. Myron Fagan is correct to point out the Council on Foreign Relations had a heavy influence on the creation of the United Nations. Mein Kampf wasn’t a follow up to Karl Marx’s book “A World Without Jews” as Fagan claims. One Jesuit Steampfle was crucial in creating the book. Ironically, Karl Marx was anti-Zionist, anti-Judaism, and wanted Jewish people to be revolutionary atheists. Not to mention that Karl Marx wanting to abolish private property is against the tenets of the Torah even. The lies that Fagan supported is advocated by the liar and shill Daryl Bradford Smith. Daryl Bradford Smith promotes The Benjamin Freedman Speech and The Myron Fagan Speech. Daryl Bradford Smith says the Federal Reserve is 100 percent Jewish, which is a lie (James Dimon, Denis M. Hughes, and Richard L. Carrion are not Jewish, but are on the Board of Director of the Federal Reserve Bank of New York). Gentile William C. Dudley is the president of New York branch of the Federal Reserve Bank. He won’t expose the Vatican link to the new world order. Daryl Bradford Smith is a shill and a coward. The new world order is about a globalized economic, religious, and political system.
Appendix E: The ADL’s New smear campaign

The Anti-Defamation is doing another smear campaign. This time they are targeting our core views. Their leadership especially hate the Second Amendment and they are mostly pro-abortion, so this is expected by these extremists. I criticized the ADL for more than 4 years and I will continue to criticize them unless they change their radical agenda. Now, the ADL produced a 27 page special report “Rage Grows in America: Anti-Government Conspiracies.” This report demonizes many conspiracies existing in the world, even though some of these conspiracies are real. It tries to demonize conservatives and libertarians as radicals and equivalent to terrorists again. The ADL promote the lie that independent people like us want to incite millions of Americans to harm President Barack Obama. The ADL alleges that people who receive such information about the new world order (like tea party and town hall protesters) are wrong as well. The ADL says that people embrace anti-government hostility since Obama was elected President. The truth is that legitimate criticism of government policy is not only pro-American, but it’s legal. Barack Obama has passed policies against our liberties like revoking the Mexico City policy, supporting the Patriot Act, sending more troops into Afghanistan, illegally attacking Pakistan with bombs, etc. The ADL criticize neo-cons like Glenn Beck as an excuse (and a front) to demonize all people who disagree legitimately with the policies of Barack Obama. They even criticize WND leader Joseph Farah when he's very pro-Israel and isn't anti-Semitic at all. They claim that Farah promotes the birther view when
he only gives audience to that point of view (which people are free to disagree with that Birther theory). The ADL says that Farah took part in the strongly anti-Obama “How to Take Back America” conference in St. Louis, September 25-26. It was heavily promoted by WND and regular columnist and anti-Obama syndicated talk show host Janet Porter. That meeting isn't extremist or equivalent to a terrorist act at all. It's apart of the First Amendment. They demonize Lou Dobbs, Alex Jones (which I don't agree with on every issue), and Ron Paul (which I don't agree with on every issue). These ADL liars asserts that Jones fulfills exactly what it predicts right-wing, anti-Obama hysteria will ultimately lead to murder. The ADL says the April murder in Pittsburgh of three policeman by young Richard Poplawski was under the influence of “Jones and other conspiracy theorists.” That's a lie and I don't even subscribe to all of Jones' views. The ADL makes no distinction between conspiracy theories and conspiracy facts that are real (like Operation Gladio, the North American integration agenda, the EU President calling for global governance, many leaders wanting a new world order, etc.). The Anti-Defamation League's lies about the town hall meetings’ protesters as comparing the health care plan of Obama to Nazism collectively. The reality is that assumption is easily refuted by tons of town hall meeting protesters using cogent arguments disagreeing with some parts of the plan. The ADL also lie and claim that disagreeing with illegal immigration is the same as opposing legal immigration plus being xenophobic. No, I support legal immigration 100%. Immigration made America what it is today and that’s a beautiful thing. Immigration is beautiful. Yet, I disagree with illegal immigration. The ADL ignore that real globalists have called for global government and Malthusian measure to scale down the human population for years. The EU-allied group of the Club of Rome issued a document titled ‘The Crisis, Global Governance and the Road to Copenhagen.’ In this recent newsletter put out under auspices of “His Royal Highness Prince” Philip of Belgium (Saxe-Coburg-Gotha), the statement reads: “We should not let any longer “laissez-faire” economic philosophy spill over and contain ambitious global policies. The survival of a great part of mankind is at stake. Do we need to wait for the date when the maximum number of human that the planet can bear will be reached?” Professor Saul Mendlovitz, Co-Director of World Order Models Project (WOMP) in his acceptance speech at the award ceremony of the 1990 UNESCO ‘Prize for Peace Education’ (page 36) proclaimed that: “It is my personal belief (not shared by all members of WOMP) that there is an overwhelming surge in the direction of global polity and that a world state is emerging. Indeed, some of the policy élite are beginning to discuss a single world central bank and a single currency.” Former president of the European Commission Jacques Delors who on September 7, 1992, gave a speech to the Royal Institute of International Affairs titled ‘The European Community and the New World Order’ in which he speaks of supporting “world government.” Prince Philip even call for a massive depopulation of the world’s population.
Violence have occurred against people whom they disagree with politically or otherwise. Lou Dobbs and others who disagree with illegal immigration have been demonized. Some Tea Party protesters have been assaulted by people in Ft. Lauderdale, Florida on Saturday of November 15, 2009. ALIPAC (Americans for Legal Immigration) reported on the story. Yet, Chris Matthews haven’t reported on this story for obvious reasons. This is similar to Kenneth Gladney getting beat up by SEIU (or the Service Employees International Union) cowards at an anti-Obamacare demonstration. This occurred in Missouri. Kenneth was just handing out Gadsen flags in the event near U.S. Rep. Russ Carnahan. He was beaten by a male SEIU member and an unidentified woman. He had multiple injuries from the hospitals. The attack came after House Speaker Nancy Pelosi characterized anti-Obamacare demonstrators as “astroturfers” and Nazis. Carnahan characterized the opposition as “disrupters” and said they were “mobilized” by “special interests in Washington who have lined their pockets by overcharging Americans for a broken health care system.” In fact, as Ohio Democrat Dennis Kucinich and others have noted, Obamacare is a bailout for the insurance industry. The insurance industry and pro-eugenicists are major funders of architects of the health care bill.

Special interests control Obama and the Democrats, not members of the Tea Party movement. Pro-Obama operatives and pundits at MSNBC and the SPLC plus the ADL use incendiary language to demonize people with whom they disagree with. A La Raza supporter attacked attendees at a town hall meeting held by Texas Democrat Gene Green. The man was arrested by the police. CNN called the Southeast Michigan Volunteer Militia as a threat to the government, which is false. Chris Matthews on October 21 called Stewart Rhodes on the Oath Keepers as a gun toting maniac, which is false and unbalanced reporting. ANSWER is a Marxist-Leninist organization (Marx and Lenin were ironically funded by the international bankers) want and the Soviet connected Workers World Party violence against Tea Party protested (using derogatory names like hypocrites). Sources in CNN believe that Lou Dobbs was forced out for his coverage on illegal immigration, the North American Union agenda, the new world order, martial law, the erosion of Posse Comitatus, etc.
Hollywood and other celebrities are known to have supported the Anti-Defamation League. It’s a good thing that many other individual realize the real truth behind the ADL.

According to comments by Robert Dilenschneider, a spokesman for the anchorman, CNN was so determined to remove Dobbs, it gave him an $8 million severance package to leave. According to him, Klein wanted CNN to be pacified in their coverage of the news, Dobbs wanted 18 months left in his 12 million dollar contract. Dobbs wasn't a conservative or liberal, but an independent. The left establishment groups of Media Matters, MoveOn.org, and the SPLC agitated Lou Dobbs to be removed. Dobbs have been threatened with phone calls and gunfire reached his home near in a few feet of his Hispanic wife. Dobbs said that the departure from CNN was "amicable." “I spent 29
years there building that company, and I wish everyone there nothing but the best, and they have reciprocated with me.” Dobbs added. On his radio show he went into further detail over the departure form CNN: “What they do is their business and I tried to accommodate them as best I could, but I’ve said for many years now that neutrality is not part of my being.” Dobbs said. “I have strong views about a lot of issues that are important to the country and I think are important to my audience.” Speculation continues to mount that Dobbs may take a job at another network, but the anchor said it will be “weeks, probably months” before he decides where his future lies. He has also indicated that running for public office may be an option. “I’ve aligned myself with no group, no organization,” Dobbs commented on his radio show. “I am truly an independent. I carry no one’s water. I’m aligned with no interest group, no organized political party, nor do I intend to be. I relish being an independent and having my freedom.”

*The Anti-Defamation League doesn't report on such issues since it destroys their lies about there being no plans among the elite to have a global government. The Anti-Defamation League is obviously one of the most anti-Christian, pro-abortion, anti-gun, and anti-conservative groups in America just like their sister group called the SPLC. So, the solution to this threat against us is to legitimately criticize the Anti-Defamation League. The ADL isn't serious about exposing the new world order agenda since they promote globalist ideology themselves. Now, these extremists can’t control what I think or say.

2010 Developments

The anti-free speech lobby promotes the lie that anyone questioning the government is akin to having a hate crime. This group is the Simon Wiesenthal Center, who have numerous sincere members in the organization though. Their report smears people who question the government as racists and terrorists including labeling conspiracy related information as hate. They want to limit and intimidate free speech on the Internet. I disagree with some of the things on the Internet, but I don't agree with censorship of the whole Internet though. People have a right to express views that I agree or disagree with. In an article entitled, Terrorists Targeting Children Via Facebook, Twitter, Fox News affords sympathetic coverage to the 2010 Digital Terrorism and Hate report, which lumps in “conspiracy theories” with “lone wolf extremists,” “bomb making instructions” and “hate games,” implying that dissemination of “conspiracy theories” also amounts to some form of child abuse. That's slander of course. Individuals that expose the mass financial raping of our resources, dissent over the federal government, etc. are called terrorists by some of these groups like the SPLC, the DHS, etc. This assault on the Internet coincide with efforts on behalf of numerous governments to censor the Internet as well as the U.S. government’s efforts to control and regulate the worldwide web under the guise of Cybersecurity. Legitimate dissent on evil and legitimate conspiracies being exposed aren't hate at all. Some in the Simon Wiesenthal Center promotes hate against those with whom they disagree with. They want to silent people and they want to limit legitimate criticism about some of Israeli policies against the Palestinians. The report bash anybody questioning the official 9/11 story, when a high number of Americans question the official story of 9/11 story. They view organ stealing of dead Palestinians by Israelis as anti-Semitic and false. However, a subsequent London Guardian report confirmed that Israel
had routinely harvested organs from dead Palestinians without their family’s consent. Indeed, the former head of Israel’s forensic institute, Dr Yehuda Hiss, admitted to this in a television documentary. How could this story be a lie according to the Simon Wiesenthal Center when one of Israel’s top state doctors admit that this organ harvesting is a common routine occurrence. This is illogic on the part of the Simon Wiesenthal Center. It’s not a hate crime or anti-Semitic to expose this information. As Jewish scholar Norman G. Finkelstein explains in his monumental book, *The Holocaust Industry: Reflections on the Exploitation of Jewish Suffering*, the Simon Wiesenthal Center played a fundamental role in smearing Swiss banks as depositories of looted Nazi gold supposedly stolen from Jewish holocaust victims during world war two, a claim completely overblown and exploited for financial profit on behalf of Jewish organizations interested only in filling their own coffers with little or nothing of the proceeds going to actual holocaust survivors, as Finkelstein documents. **There are sincere, righteous Israelis and Palestinians who want peace and abhor the evil going on in the Middle East. We shouldn’t hate anyone who is Jewish or of Arabic descent. So, I want to make that perfectly clear.** Grouping legitimate conspiracy information to racism and terrorism is the old lie that the ADL, the Southern Poverty Law Center, and the Simon Wiesenthal Center promote. They promote the anti-American tactic of hating free speech in order to crush dissent that they don’t like. The SPLC released its report earlier this month promotion the notion that domestic terrorists were being provoked to commit violence by Internet “conspiracy theories,” which just days later was followed by the suspicious Pentagon shooting. The Pentagon shooting was exploited by the corporate mainstream media in order to demonize 9/11 truth activists as a deadly threat. That's false since there wasn't a previous instance of a 9/11 truth person doing violence or any crime in pursuit of their cause at all. The Pentagon shooter isn't representative of the 9/11 truth movement anyway since violence against innocent people is evil and never a way to solve problems.
