The Order of the Skulls and Bones

This is something else. This is from my original thought on the subject along with some websites used as background information so enjoy. I put this work in paper form in my area and people were grabbing it up as soon as I've shown this pamphlet in my area. The Order of the Skulls and Bones is a secret society subordinate under the global elite that has existed for almost 2 centuries. To this day, the Skulls and Bones have meetings every year on Deer Island, which is part of the Thousands Island. It's located in the St. Lawrence River, which is a few miles NE of Alexandria Bay, NY. People receive $15,000 for joining with no strings attached. Its 100% Satanic and evil to the core in its goal of wanting to create a New World Order. Some Skulls and Bones members want to have huge strategic power in the world. The new world order is basically about the establishment of an one world totalitarian, socialist, and communist government (with a one world currency, an one world police, etc). The Origin of the Skulls and Bones according to some researchers existed from the Bavarian Illuminati in Bavaria, Germany. Only males can join until recently, Jews were admitted in the early fifties, blacks have joined since 1949, and even homosexuals can join. One connection tying the Bavarian Illuminati and the Skulls and Bones together is that according to Esquire Magazine, on September 1977, from pg. 88: “..haunting photograph of the altar room at one of the Masonic lodges at Nuremberg that is closely associated with Illuminism. Haunting because at the altar room's center, approached through an aisle of hanging human skeletons, is a coffin surmounted by...a skull and crossed bones that look exactly
like the particular arrangement of jawbones and thighbones in the official Bones emblem. (Finally), the skull and crossbones was the official crest of another key Illuminist lodge...

The link is there mainly because of the similarities between the Illuminati and Skulls and Bones involving bones, ceremonies, oaths, and rituals. Also, Phi Beta Kappa [a famous fraternity] was created in December 5, 1776 and the second chapter came to Yale at 1780. The S&B Charter of Transmission came from the “Brotherhood of Death” at Ingolstadt, Germany (which is an offshoot of Continental Freemasonry’s Braun Von Hund’s Strict Observance Rite, who was also instrumental in the founding of the Illuminati of Bavaria. The Skulls and Bones therefore is related to Freemasonry). "A detail about the founding of Skull and Bones might help us understand the devil’s place in this ritual. As it turns out, shortly before founding the secret society, William H. Russell had spent a year in Germany. 'When William Russell took some time off from Yale to study in Germany, he could very well have been introduced to a German student club with the death's head logo, and then returned to Yale and set up a branch of that club'. (Robbins, p.82).

As time went on, Phi Beta Kappa influenced the organization of the Skulls and Bones as well. Phi Beta Kappa=Philosophia Biou Kubertes or Love of Wisdom, meaning the helmsman of life in Greek. Cutting Edge Ministries believe that a German counterpart of the Skulls of the early 1900s is the Thule Society (a society that has similar sexual rituals, magic, occultism, and pro-Satanism as the Skulls and Bones has. I say pro-Satanism because in Skulls and Bones ritual, a person says “Devil equal Death, Death equals Death”). Ravenscroft's Spear of Destiny outlines the occult Thule Society in more depth. Hitler was imitated in the Thule Society in 1919 by performing a Satanic ceremony and the Thule Society is obvious an anti-Semitic cult. Dietrich Eckart, Alfred Rosenberg, and others participated in occult rites in Munich. The creator of the Thule Society is Count Rudolf von Sebentendorf [who was a Freemason]. The Thule Society used literature from Blavatsky and Alice Bailey. In fact, the Thule Society believed they contacted Supermen called Aryans. Aryans to Madame Blavatsky was the highest evolved state of mankind. Blavatsky and Hitler believed that these supermen survived the destruction of Atlantis with their consciousness intact. The Nazis obsessed with superman, because they believed that Aryans were the most evolved race in the world. They want to promote the ideal of promoting a sick New Age/occult form of Evolution that the Aryans is a modern representation of supermen. The Thule Society members did séances and communicated to demons. According to Trevor Ravenscroft's “The Spear of Destiny” book, the Thule Society performed debased sexual rituals. Eckert believed Hitler was the Anti-Christ. Adolf Hitler wasn't, but he was a prelude to the Antichrist in the future.

Occult principles from Europe spread to the United States in 1832 when General William Huntington Russell and Alfonso Taft (grandfather of former President William Howard Taft) crated the Skulls and Bones or Brotherhood of Death at Yale. Alphonso Taft served as the Secretary of War under President Rutherford B. Hayes (from 1876-1880). Bonesman William Howard Taft was the only man to serve both as the President and the Justice of the Supreme Court. Another influence to the Skulls and Bones origin was Nathan Hale [from Yale] and other Yale graduates which made up the Culper Ring. (This group was successful in the Revolutionary War, and it was the predecessor of the CIA). The Culper Ring was a spy ring organized by Benjamin Tallmadge under the orders of General George Washington in the summer of 1778. The Ring’s task was to infiltrate British-controlled New York City and report troop dispositions and intentions. The Ring conducted covert operations until the end of the American Revolutionary War, though its heyday was between 1778 and 1781. Even today, the Intelligence communities have a good relationship with Yale. Many people are involved in the CIA and were in the Skulls and Bones like Bill Bundy, George H. W. Bush, William F. Buckley, and other people. Many elite families have participated in the Skulls and Bones like Lord Whitney, Taft, Jay, Bundy, Harriman, Weyerhaseuser, Pinchet, Rockefeller, Goodyear, Wadsworth, Gilman, Sloane, Stimson, Phelps, Perkins, Pillsbury, Kellogg, Vanderbilt, Bush, Lovett, etc. Bonesman William Collins Whitney (who was initiated in 1863) was the Secretary of the Navy from 1885 to 1889, and Payne Witney was a Bonesman. Bonesman Timothy Dwight was the 12th President of Yale University. He studied at the Universities of
Berlin and Bonn between 1856 and 1858. Dwight was initiated in 1849.

Its logo is the skulls and crossbones with the number 322 under it. 322 means the year of its founding being 1832 and 322 B.C. (a date which Bonesmen claim in a fictional tale that its fraternity was a descendent of an old Greek patriot society by Demosthenes who died in 322 B.C.). Some point to Genesis 3:22 as another meaning to 322 since symbols have multiple levels of meaning. Also, a sacred room is named 322. The famous logo of the Skulls and Bones in German is “Wer war der Thor, wer Weiser, Bettler oder Kaiser? Ob Arm, ob Reich, im Tode gleich,” That means, “Who was the fool, who was the wise man, beggar, or king? Whether poor or rich, alls same in death.” It means basically that you’re on your own or everyone regardless of position in society are all equal after death. [you’re in the same boat] That’s shows their non-sensitive attitude towards people and society. There are 2,500 members in almost 200 years and about 500-600 Bonesmen alive today. Other similar groups to the Skulls and Bones include:

- Scroll and Key (from Yale)
- Wolf's Head (from Yale)
- Book and Snake (from Yale)
- Elihu (from Yale)
- Berzelius (from Yale)
- Ivy Club and Cottage Club (from Princeton)
- AUV (from Andover)
- The Porcelain Club and the Fly Club (at Harvard)

The Wolf's Head and other Yale Secret Societies have an equally important role in political affairs as the
Skulls and Bones has. The Skulls and Bones is just one of the more popular subjects that folks love to expose. The Wolf’s Head came into prominence by 1884. Prominent Wolf Head’s members include Cyrus Vance, Malcolm Baldrige, Arthur Hill Christy, and Thomas McCance. Wolf Head members have important families in them like the Phelps, Rogers, House, Hill, Carrington, and Lovejoy (according to Fritz Springmeier, these Wolf’s Head’s members work with the du Ponts, the Rockefellers, Rothschilds, Harriman, Reynolds, and the Merovingian bloodlines). Some Wolf’s Head members are son of generals (like H. W. Slocum. His father was General Slocum). Some of them indeed worked in WWI, WWII, Korea, and Vietnam (They include Captain G. Brush of WWI, 2nd Lt. W.W. Collins the 3rd during WWII, and J. G. Keller of WWII). Keller was a major in the field artillery. Ironically, Alexandra Robbins was a Scroll and Key member, who did a documentary on the Skulls and Bones. The Scroll and Key was invented in 1841 being the 2nd oldest Secret Society of Yale University. Scroll and Key was established by John Porter, William Kingsley, Samuel Perkins, Enos Taft, Lebbeus Chapin, George Jackson, Homer Sprague, Charlton Lewis, Calvin Child and Josiah Harmer. They disagreed with some of the elections to the Skulls and Bones. In the Scroll and Key, new members are called Keys. Scroll and Keys members have many elites like the Skulls and Bones have (some of them are descendants from the Mayflower). Knight of Malta J. Peter Grace, Stone Phillips, Paul Mellon, and others.

The CFR or the Council on Foreign Relations is a pro-N.W.O. group (that is why pro-CFR member Gary Hart called for the new world order after 9/11 was done) with 3,600 members divided equally among New York City, Washington D.C., and the rest of the U.S.A. Peter G. Peterson was once the Chairman of the CFR, and Maurice R. Greenberg was the Vice Chairman, and Leslie H. Gelb was the President of CFR. Today, Richard Haas is the leader of the CFR. It has always been dedicated since its inception to make the U.S.A. part of the one-world government system, which is contrary to the U.S. Constitution, our national sovereignty, and our God-given rights as human beings.

**Initiation Ceremony:**

The Skulls and Bones are obviously found in secret in their activities like all secret societies are. You can
only be a member by invitation and only potential members are carefully screened as to suit ability before they are invited to join. The process of selection is called tapping. Just before any ceremony begins, the initiate must go to boarding school, hunting or outdoorsmen activities (either in New Hampshire, Africa, South America, etc.), and then military preparation. It begins by the first 15 Senior Yale students [who are Skulls and Bones] selecting a group of 15 junior college students. To be tapped for the following year. The Bonesmen go to the dormitory room of the tappae, pound the door, and tap the prospective member and ask them, “Skulls and Bones, do you accept?” If they accept, a message is wrapped with a black ribbon sealed by black wax with the skulls and crossbones.

The message has a time and place for the candidate to appear on initiation night and the candidate are instructed to wear no metal objects or clothing. On initiation night, the members trying to be Skulls and Bones swear allegiance to the organization in confessions, oaths, etc. Then the potential candidates perform sexual ceremonies with even with some homosexual overtones. Later, they "lay naked in coffins and tell their deepest and darkest sexual secrets as part of their initiation." (Esquire Magazine, The Last Secret of Skulls and Bones, Ron Rosenbaum, p. 85) The coffin is full of manure and this takes place in a place called The Tomb [a window-less building at Yale] within the Skull and Bones Crypt. Ron writes that: "...if one could climb to the tower of Weir Hall, the odd castle that overlooks the Bones courtyard, one could hear strange cries and moans coming from the bowels of the tomb as the 15 newly tapped members were put through what sounded like a harrowing ordeal..." (Esquire, September, 1976, p. 86).

In the Tomb, their whole sex life and other deep, personal details are completely revealed. Even George W. Bush admitted his affinity to the Skulls and Bones in Time Magazine so there can be no denial by anyone that he is still a Skulls and Bones member. Robbins and Alper writes that more occult rituals occur that seem to mock Communion:

"Eulogia! Eulogia! Eulogia!" the 'Bonesmen' shriek as the initiate is escorted into the inner temple before he is compelled to sign his name to an oath of secrecy. After this the initiate is brought before a picture of Judas Iscariot, whose name the group screams three times, and then he is led to the heart of the rite: the initiate is pushed to his knees before a human skull filled with blood placed at the foot of a human skeleton called Madame Pompadour. The crowd 'implores him to 'Drink it! Drink it! Drink it!' and he does. Then he is hurried to a man dressed as the Pope. 'But not before the D whips him in the face with his tail. The initiate bends to kiss the Pope's slippered toe on the skull." (Robbins, p.120.)

Here’s another source on this sick ritual: "I was shocked to discover that the Goddess Eulogia is a fabrication. And not a simple fabrication but one that leads us to something very specific. There never was a Roman goddess by that name. However, students of New Testament Greek know that Eulogia is one of the names given to the sacrament as in St. Paul’s first letter to the Corinthians: ‘The cup of blessing (‘eulogia’) which we bless, is it not the communion of the blood of Christ?’ Alarming to me and perhaps it will be to you, rather than honoring the sacrament, we see that the secret society initiation culminates in a parody of partaking of the blood of Christ. This parody is known in other contexts as the sinful Black Mass. We know Black Mass is not truly parody but blasphemy and sacrilege. Invoking Judas, dishonoring the Pope and violating the sacrament is terrible sacrilege." (Alper, Ibid.). In other words, new member drank blood inside of a goblet that is shaped as a human skull. A real Christian would never drink blood from a cup in mocking the communion of Jesus Christ at all. The Skulls and Bones do these occult ceremonies in exchange for power and influence. George W. Bush and others sold their soul to evil and the Devil literally. It would be these same sick, occult Societies fermenting WWI, WWII, the Cold War, the Ecumenical Movement, and the war on terror now in 2009.

Numerous people accused George W. Bush in 1968 [when he was tapped into the Skulls and Bones] of performing homosexual acts with his male fellow Bonesman of Mayor Victor Ashe of Knoxville, TN. This is controversial information and I wouldn’t be surprised if these accusations were true. If enough Christians knew about the occult nature of the Skulls and Bones, they will have a totally different view of the ex-President. Bob Stevens [The American Media picture editor] claimed to have actual pictures of George W. Bush doing this in American Media Inc., headquartered in Baco Raton, Florida. Bob Stevens mysteriously
died of anthrax poisoning in October 2001. The FBI closed and sealed the whole American Media Building. Later, the initiate will rise out of the coffin blasphemying the born-again conversion of Christians. In Satanism, a coffin is used to signify being born-again not in Christianity terms, so its mocking Christianity. George H. W. Bush said he is a born-again Christian when asked if he was a Christian in the 1988 Presidential Campaign. He answered it in a way to deceive and show his standing being a Bonesman at the same time. He’s born again not to Almighty God, but to his occult Skulls and Bones order (which is apart of network of Secret Societies whom some of their members worship Lucifer).

Propagandists and shills say that the S&B is no big deal and it’s just a fraternity. If it’s just a fraternity, why have President George W. Bush never delve into its total secrets to this day. In his autobiography, “A Charge to Keep”, Bush said: “During my senior year I joined Skulls and Bones, a secret society so secret I can’t say anything more.” What’s the secret that he can’t say? It’s that he did sick actions to be apart of it in exchange for wealth, power, and fame to be bounded by his Bonesmen masters to try to control the Earth. The tomb is full of manure and people come out to be “born-again”, but this is Satanic since Anton LaVey in his “The Satanic Rituals: Companion to the Satanic Bible” on pg. 57 said that coffins are used in Satanism and lodge rituals. In the tomb, people recount their sexual secrets. According to LaVey, a coffin ritual is in many pagan orders. The ritual changes the participants’ lives and the devil is the spiritual force that does it. Participants in many coffin rituals are possessed by a devil. When a man or woman comes up, he or she will wear a robe with Masonic symbols.

The new members of the Skulls and Bones are given new robes with symbols on it and a bone with his name on it is tossed into the bone heap at the start of every meeting. The oath taken in the Skulls and Bones super cede all other oaths including the Constitution, etc. as this source says: “...Members of the Order (Skull and Bones) take an oath that absolves them from any allegiance to any nation or king or government or constitution, and that includes the negating of any subsequent oath which they may be required to take. They swear allegiance only to the Order and its goal of a New World Order... according to the oath Bush took when he was initiated into Skull and Bones, his oath of office as President of the United States means nothing ...” (Bill Cooper, Behold A Pale Horse, p. 81-82).

So, the Skulls and Bones simply disregard all oaths of office, etc according to Bill Cooper. George W. Bush by his affiliation to this group super cede any of his allegiance of the Presidency, Constitution, or the United States. Other ceremonies include the death mantra where someone in a devil costume says ‘The Hangman equals Death! The Devil Equals Death! Death Equals Death!’ In meetings also the Skulls and Bones people drink in skulls-shaped cups. The Skulls and Bones are obsessed with skeletons, skulls, and death, because they are pro-occult.
Opium and the Drug Trade Involving the Skulls and Bones

The International Drug Trade historically involves more than the Skulls and Bones, but this culture organization bears some responsibility in it though. This is a summary of the situation. In 1823, Samuel Russell created Russell and Company for getting opium in Turkey and smuggling it to China. This is the beginning of the Modern Drug Trade of the Skulls and Bones in the U.S.A. Russell and Company merged with Perkins (Boston) syndicate in 1830 and became the primary American opium smuggler. Many of the great American and European fortunes were built on China’s opium trade. The Chief of Operations of Russell and Company in Canton, China was Warren Delano, Jr. (grandfather of Franklin Roosevelt). Russell’s other partners included John Cleve Green (who financed Princeton), Abeil Law (who financed construction of Columbia), Joseph Coolidge (Coolidge’s son organized the United Fruit Company and his grandson, Archibald Coolidge was a co-founder of the Council of Foreign Relations), the Perkins, and Forbes families.

So, the British elite (via the British East India Company) collaborated with numerous New England merchant families to trade in opium and other resources. The British East India Company was created in December 31, 1600 when it was granted a charter (to George, Earl of Cumberland, and 215 Knights, Aldermen, and Burgess) by Queen Elizabeth I. Its early title was, “Governor and Company of Merchants of London Trading into the East Indies.” It was monopolistic and contributed to British imperialism. John Daniel said that he allowed the BEIC fund his rule. The BEIC traded retrieved spices from Asia and were involved in the immoral slave trade. These New England merchant families were Cabot, Coolidge, Forbes, Higginson, Sturgis, Lowell, Lodge, Perkins, and Russell. These New England families would found the United Fruit Company and the Bank of Boston. These families would intermarry with each other with members in the Skulls and Bones. The evolution of the drug trade continues on.

In the 1800s, Connecticut and Massachusetts were once the fastest ships on the ocean to carry the opium worldwide and of course China is one of the largest producers of opiates in the world at that time. In 1843, the port of Shanghai was opened and Russell Co. was one of its earliest traders. As time moves on in the 1900s, French Intelligence [French Intelligence is also called SDECE (Service de Documentation Exterieure et du Contre-Espionage)], and Corsican mobsters in an infrastructure called the Golden Triangle before Vietnam was a central point of the drug trade (during the Cold War). When France was kicked out, the USA government took the spoils. The Skulls and Bones between the late 1800s and 1950s, were involved in the trading of new drugs like heroine, cocaine, morphine, etc. Later in 1943, Swiss chemist Albert Hofmann discovered LSD-25. At Vietnam the Skulls and Bones and the Mafia consolidated and coordinate the worldwide narcotics industry [The Golden Triangle] (the largest industry on Earth).

The War on Drugs is an intellectual fraud. The whole purpose of the Vietnam War was to send drugs into
America for profit, test new technology, and other reasons to decrease culture, desensitize and destabilize American families (and society) to accept a N.W.O. Communism was a little concern in that war except for the Jesuits or zealot military individuals.

Skulls and Bones George H. W. Bush [who is also a CFR member, Trilateral Commission, and Bohemian Grove participant] was heavily involved in the drug system early since he was once the head of the CIA in the 1970s and has involvement in the Iran-Contra affair, Watergate, and Vietnam. When George H. W. Bush was Vice President, Frances Mullen Jr., former head of the Drug Enforcement Agency (DEA) called Bush’s efforts an intellectual fraud and a liability rather than an asset. He and other individuals have shown many reservations on the War on Drugs folly.

Later Bush was involved in the Iran-Contra affair in the 1980s. [which traded weapons for drugs to be spread from Central America (i.e. Nicaragua) to the USA mainly affecting urban areas (with majority minority neighborhoods) then all walks of society also. Bush used some Cuba agents that were involved in the Bay of Pigs and JFK’s Bay of Pigs event like his lifelong friend Felix Rodriguez in Iran/Contra along with William Casey [CIA Knight of Malta member], Oliver North (Knight of Malta/North and William Casey supported the plan of Iran/Contra), Donald Gregg, Gene Tatum, John Singlaub, and many other people. Bill Clinton as a governor in Arkansas was also involved by authorizing the use of the airfield at Mena, Arkansas for Reagan’s CIA Iran/Contra weapons and drug smuggling operation. Victor Thorn’s new book about the Clintons document these facts in further detail.

Another failure of the War on Drugs is from the General Accounting Office (GAO) report that was buried by the U.S. government. In July, 1985, the suppressed GAO paper reported that there were no benefits from the National Narcotics Border Interdiction System directly by George Bush. In fact the overall effect was to encourage supply. Even in the 1980s, the War on Drugs ended in defeat. The drug trade was run by the CIA and other groups is fully documented in:

-The Politics of Heroin in S.E. Asia by Alfred McCoy

-The Great Heroin Coup by Herrik Krugger

-Double Cross by Sam and Chuck Giancana
and other sources. Tom Ridge (Knight of Columbus and ex-head of Homeland Security), William Colby, Senator John Kerry, William Casey, Donald Gregg, Oliver North, Theodore Shackley, and Felix Rodriguez are all CIA officers who participated in Operation Phoenix [starting in 1967 by the CIA], which resulted in 60,000 Vietnamese people being butchered in that program through extermination. K. Barton Osborn was a US military-intelligence officer in Vietnam who testified that Phoenix suspects were subject to electric shock torture and “the insertion into the ear of a six-inch dowel which was tapped through the brain until the victim died.”

William Colby was the head of the terrorist Operation Phoenix program. Now Oliver North (Knight of Malta), the butcher, drug smuggler, war criminal, murderer, and liar under oath hosts a FOX military show called War Stories.

Now, a war criminal, a murderer, and drug smuggler can be a TV man. Just shows that Satan’s influence is running wild in the world, yet God will have the last say. William Colby might as well as been the only one who attempted to try to have a legitimate change of heart but then he died.

Here’s more facts on the Drug Trade by http://www.geocities.com/northstarzone//DRUG.html:

“….[The USA government through the CIA were involved in the Drug trade with] : Other operations include: Operation Short Field Operation Burma Road Operation Morning Gold Operation Backlash Operation Triangle.

Information on the CIA drug smuggling operations listed above was provided by the following CIA and ONI (Office of Naval Intelligence) operatives: Trenton Parker, Gunther Russbacher, Michael Maholy, Robert Hunt. There is extensive documentation confirming the intelligence status of each of these men. This documentation was taken from Rodney Stich’s seminal work, Defrauding America. The information provided by these men, often at great personal risk to themselves and their families, as well as information provided by CIA agents and contract agents such as Richard Brenneke, Stephen Crittenden, Gene Tatum,
and Terry Reed, can leave no doubt that the CIA has been involved in drug trafficking on a massive scale and over an extended period of time.

One example: The head of a drug ring’s Southern California operation, a former Nicaraguan government official named Danilo Blandon, has admitted in federal court testimony that he and other exiles began selling drugs in black L.A. neighborhoods in 1982 to help finance the CIA’s Nicaraguan army, known in the United States as the Contras. Blandon testified that once U.S.-taxpayer dollars began flowing to his organization, he stayed in the cocaine business to make money for himself. Evidence indicates he was dealing an average of 100 kilos a week to the Crips and Bloods in Los Angeles during the 1980s, an activity that helped spark the crack epidemic in Los Angeles and, eventually, across the nation. While the CIA’s heavy involvement in the drug trade, and especially the crack cocaine trade, has been well documented by scholars such as Dr. Peter Dale Scott at least since the Iran-Contra hearings in the 1980s, the mass media has refused to take notice. And even when they do take notice, most of the sheep-like journalists and anchor people continue to parrot the absurd government line in contradiction to the blatant facts, which are available to anyone who reads beyond the corporate summaries of government press releases. On NPR, for example, a reporter commented that since the story wasn’t picked up by the New York Times, it must be false. Another reporter on FOX News said "there has been no direct evidence, repeat, no direct evidence, linking the CIA to the drug trade…." (end of website quote)

Bush also owns Zapata Offshore, an oil company. For Bush to transport narcotics such as cocaine or heroine, he needs precursor chemicals. George H. W. Bush can do it by him being the Board of Directors of the Eli Company of Indianapolis, Indiana (which actually does produces precursor chemicals to make cocaine and heroine). Its the first company to synthesize LSD for the CIA. In the 1990s and early 21st century, the USA was involved in funding the Taliban in Afghanistan. It was only when the Taliban refused to operate under Western imperialism control that we attacked Afghanistan after 9/11. The Unocal pipeline was one promoted in the Central Asian region as well. The paranoia about terrorism is apart of bigger planned situation that revolve around a planned situation by these secret societies and shadow governments running around controlling this Earth. That is why PNAC desired a new Pearl Harbor like event to attack numerous nations like Iraq. Today in 2009, the drug war was a total failure and the consequences are evident now.
The Skulls and Bones and the Civil War

The Skulls and Bones and Yale University were a hotbed of secessionism. That Northern college was favored by Southern slave-owning would be aristocrats. Many Yale Southern students included John C. Calhoun, who was the famous South Carolina defender of slavery against nationalism and Judah P. Benjamin, who would later become Secretary of State for the slaveowners’ Confederacy. Many Skulls and Bones people supported the Southern cause for succession that led to the Civil War. William M. Evarts was a famous Bonesman in that era (who joined in 1837). He criticized such groups at the 1873 Yale commencement alumni meeting, claiming they bred snobbishness. From 1885 to 1891 Evarts was a U.S. Senator from New York. During President Rutherford B. Hayes’s administration he was United States Secretary of State. He raised money to fully build up the Masonic Statue of Liberty building in New York City. Henry Rootes Jackson (who was a Skulls and Bones at 1839) was a leader of the 1861 Georgia Succession Convention and post-Civil War President of the Georgia Historical Society. Henry Jackson was a major general in the Confederate States Army during the American Civil War. John Perkins, Jr. (a Skulls and Bones member since 1840) was chairman of the 1861 Louisiana Succession Convention and William Taylor Sullivan Barry (a Skulls and Bones member since 1841). William Barry was a national leader of the secessionist wing of the Democratic Party during the 1850’s and chairman of the 1861 “Mississippi” Secession Convention. Morris R. Waite (who was Skulls and Bones since 1837) was the chief justice of the United States Supreme Court at 1847-88, whose rulings destroyed many rights of African Americans gained after the Civil War [who was a a proponent of the illegal, anti-gun Black Codes]. Also, he help his cohorts Taft and Evarts arrange the 1876 Presidential
settlement scheme to pull the rights-enforcing U.S. troops out of the South. Both the Union and the Confederacy (especially in their leaderships) was infiltrated by the Secret orders of the Jesuits, Freemasonry, and the Knights of the Golden Circle.

First though, let’s delve into George W. Bush’s great grandfather. He was Samuel Bush (1863-1948) Samuel Bush before WWI had been in the railroad business, supplying equipment to railroad system owned by Wall Street moguls. In 1907, Samuel Bush was elected President of Buckeye Steel Casting Co. in Columbus, Ohio. In his entire career, he supplied Wall Street railroads with castings. Samuel became a close advisor of President Hoover and was the first President of NAM (National Manufactures Associations). The NAM supported fascism and members of the NAM led by Robert Welch formed the shill John Birch Society. In 1914, Percy Rockefeller appointed as Samuel Bush chief of the Ordnance of Remington Arms Company. Remington was thus able to supply two-thirds of all Allied light weaponry, thanks to Samuel Bush’s ally Bernard Baruch, chief of the American war procurement office and had a Wilson office. Prescott Bush was Samuel Bush’s son. During WWI, Prescott Bush served as a captain in the 322nd Field Regiment of the U.S. Army Field Artillery. His own mother, Flora Sheldon Bush, exposed his awards as a prank. Charles Shaw, a writer believed that Samuel Bush funded both sides of WWI:

“The U.S entered World War I in 1917. In the spring of 1918, Samuel P. Bush, became chief of the Ordnance, Small Arms and Ammunition Section of the War Industries Board, taking national responsibility for government assistance to his own Remington Arms Company and other weapon makers. Through these weapons manufacturers, Samuel Bush made and sold arms to 75% of the WWI combatants on both sides... Samuel Bush was labeled a "Merchant of Death" in the years following the Great War as investigations began into the instigators of the war and of the new emerging world militarism. The German Army under the Kaiser was the largest and most well armed in the world in 1914, and they were largely armed by Samuel Bush. After WWI, Germany was stripped of their arms, but Samuel Bush was allowed to keep his millions, and his arms business was allowed to grow and prosper. In 1944 he was awarded a huge government contract to make armor casings for WWII. He died shortly after the war ended in 1948, within months of the passage of the National Security Act...” (From www.anti-sheep.com/articles.php “THE BUSH EMPIRE: How four generations of arms, oil, fascism, and US Govt. defiance made America’s First Family” by
Charles Shaw)

Prescott Bush (George W. Bush’s grandfather) and other Skulls and Bones members financed Hitler’s war machine, which is trading with the enemy. The following expose will prove this. Prescott Bush [a member of the Skulls and Bones since 1917] is therefore a traitor to his nation and a Nazi. Allen Dulles was involved with Nazis, but this is the Skulls and Bones connection.

Dwight D. Eisenhower and Prescott Bush working together. Prescott Bush was the financial organizer of Columbia Broadcasting System of which he also was a director for many years.

Other Skulls and Bones financed Hitler include Averill Harriman (part of the Skulls and Bones since 1913), and his brother Roland Harriman (part of the group since 1917). What is the connection and how did this come from? First, its time to tie in companies and groups. As early as 1900, George Herbert Walker [George W. Bush’s maternal great-grandfather] formed a banking and investment firm of G. H. Walker and Company in 1900. Later it shifted from St. Louis to the address of 1 Wall Street. That’s nothing wrong or illegal yet. George Walkers company soon merged with the British Brown Brothers to form W.A. Harriman & Co. in the 1920s. The next link is Fritz Thyssen who was a German industrialist who funded Hitler’s reign to power in 1923. Later in 1924, Averell Harriman and Thyseen created the Union Banking Corporation in New York to handle funds to be supplied to Thyssens Dutch bank [Bank voor Handel en Scheepvaart or BHS] for American investment. In a 3 year period, the Harriman firm sold more than $50 million of German bonds to American investors.

George Walker was the Union Banking Corp’s President and the firm was located in the office of Averill Harriman’s Company at 39 Broadway in New York. Averill Harriman was the Governor of New York State. In 1926, Bert Walker made Prescott Bush in vice president of W. A. Harrimann. Prescott Bush’s specialty was to deal with companies that traded with Germany. In the 1930s, a further connection was needed that propelled Union Banking to become an out-out Nazi money laundering machine. A new company that was formed was the Brown Brothers, Harriman (which was a product of Harriman & Company plus a British Investment company). Prescott Bush became one of the senior partners of this new company and its...
located at 59 Broadway, while Union Banking remained at 39 Broadway. In 1934, Walker lead Prescott to be at the board of directors of Union Banking.

Prescott Bush by 1934 had tons of power and economic influence and Walker even took over the American operation of Hamburg-Amerika Line (a cover for I.G. Farben’s Nazi espionage unit in the U.S. The smuggling line smuggled in German agents, propaganda, and money to bribe American politicians to see things in Hitlers way). The Hamburg-Amerika line even subsidized pro-Nazi newspapers in the U.S.A. as it was in Nazi Germany. Who is Hamburg? Hamburg is a city in Germany and that operation was run by Max Warburg? Who is Warburg? Max Warburg was a Jewish person who was on the representative on the board of Hamburg-Amerika. He appointed Hitler’s operation in the 1930s. Isn’t it surprising certain bankers of Jewish descent and Labor Zionists supported the Nazis during WWII. The reason is that many Labor Zionist even funded the Nazis to allow Jewish people to migrate into Israel at all costs. Max Warburg’s son, Erich Warburg, sent a cable to his cousin Frederick M. Warburg [a director of Harriman railroad system] to use all your influence to stop anti-Nazi activity in America 2 days after March 29, 1933. Traitorous Jews (in the minority) have all participated in supporting Nazi Germany at the expense of 6 million Jewish deaths.

Even the American Jewish Committee and the B’nai B’rith (a Masonic Jewish Lodge that is the ancestor of the ADL) continued its no-attack-on Hitler stance throughout the 1930s regardless of protests by real Jewish people and anti-fascists. Jewish groups who opposed supporting the Nazis include the American Jewish Congress (with Jacob Chaitkan as legal director of the boycott against the Nazis), American Federation of Labor, and other groups opposed to Warburg’s treason. The businesses of [Schiff, Warburg, Kuhn, Loeb & Co.] all are involved in the financing of Nazis and are related Rothschild network. The Rothschilds are a bloodline with support of the Vatican and its members today are apart of UK Knighthoods under British Royalty. Many Rothschilds in the old days were Freemasonry. Orthodox Jewish people and patriotic Jewish people have oppose the evils of the Rothschilds (and Labor Zionists) for a long time. Labor Zionists are the enemy of the Jewish people. The Vatican aided Hitler and other fascist governments during WWII as well like the Ustashi terrorists. It gets worse. By 1933, just after Hitler’s regime was consolidated, an agreement was reached in Berlin for the coordination of all Nazi commerce with the U.S.A. (The Harriman International Co., led by Averill Harriman’s first cousin Oliver, was to head a syndicate of 150 firms and individuals, to conduct all exports from Hitler (from Germany to the United States). The pact was negotiated in Berlin between Hitler’s economic minister, Hjalmar Schacht, and John Foster Dulles (international attorney for dozens of Nazi enterprises), with the counsel of Max Warburg and Kurt von Schroedor. John Foster Dulles (this traitor and Nazi) would soon become the U.S. Secretary of State and have great influence over Republicans in the 1950s.

His brother Allen will become the head of the C.I.A. and justly fired by JFK, who was assassinated at 11/22/63. The financing of Hitler continued on until the U.S. government investigated the Skulls and Bones operation at 1942. On Oct. 20, 1943, the U.S. government ordered the seizure of Nazi German banking operations in New York City, which were conducted by Prescott Bush in violation of the Under the Trading with the Enemy Act. The U.S. also took over the Union Banking Corporation (Prescott Bush was a director of it) and the U.S. Alien Property Custodian seized Union Banking Corps stock shared (all owned by Prescott Bush, Roland Harriman, 3 Nazi executives, and 2 associates of Bush). Why 1942? Because the U.S.A. in 1942 began to attack the Nazi military and these acts came to strip the Skulls and Bones treasonous activities. George H. W. Bush soon participated in the Navy at WWII at 1942 also. Why wasn’t Prescott Bush, Walker, etc tried for war crimes of trading with the enemy? Because this world is controlled by secret societies and it would be silly for these groups to convict a high-level of their own to justice if they were not rebellious of their goals.
Henry Lewis Stimson

Henry Lewis Stimson was in the Skulls and Bones at 1888. Stimson served 7 U.S. Presidents and they are Theodore Roosevelt, William Howard Taft (a fellow Bonesman), Woodrow Wilson, Calvin Coolidge, Herbert Hoover, Franklin Delano Roosevelt, and Harry S. Truman. He is the personification of the Order since he represents the Skulls and Bones increasing powerful presence in American society. When he was 44, Stimson joined the Army during WWI and served in the American Expeditionary Force in Europe. He played a role in restricting the size of the Japanese Imperial Navy. In FDR’s term, he was an architect of economic provocations against Japan to provoke Japan to attack Pearl Harbor. Under FDR, he was the Secretary of War. During WWII, Stimson oversaw the Manhattan Project [this developed the atomic bomb, a device destructive weapon used against the Japanese cities of Hiroshima and Nagasaki which was immoral and blatant terrorism], etc. According to S&B researchers Paul Goldstein and Jeffery Steinberg, Stimson ordered American bombers to not bomb Kyoto and oversaw the postwar occupations of Japan and Germany being sensitive to
Japanese culture. On the other hand, he influenced FDR to intern Japanese Americans after Pearl Harbor existed. After WWII in the Cold War, he groomed Bonesmen and others called “Stimson Kindergarten” to carry out the policy of containment against the Soviet Union, China, etc. They include Robert Lovett (who worked for JFK), Harvey Bundy (and his sons McGeorge and William Bundy), General George Marshall, John J. McCloy, Dean Acheson, etc. A “Stimson-Marshall-Acheson Circle” would shape Cold War policies for years. The Bonesman Averill Harriman would fund the Soviet Union’s empire for decades in the contrived Cold War (along with the rest of the international bankers). An American company, International Barnsdall, which was controlled by the members of the Order of Skull & Bones (Some believe the Bones is the American chapter of the Illuminati) through the W.A. Harriman and Guaranty Trust companies, supplied the much needed equipment to Communist Russia in 1922 that allowed the communists to successfully exploit their oil reserves in the Caucasus. This became a major reason for the Soviet economic recovery during that period. The oil supplied the largest single source of foreign exchange for the Soviets, accounting for 20% of the value of all Soviet exports. The W.A. Harriman and Guaranty Trust companies also financed the mechanization of the manganese mining operation in the Soviet Union. The manganese mining income was second only to oil in foreign exchange income to the Soviets (This research is found from Anthony C. Sutton’s book entitled “America’s Secret Establishment: An Introduction to the Order of Skulls and Bones” from 1986). Henry Stimson died in 1950.
By November 17, 1942, Silesian-American Corp. was seized under Trading with the Enemy Act. The government only seized Nazi interests and left the U.S. partners to continue their business though. The seizures of Bush's businesses were also reported in many U.S. papers like the NY Times and the Wall Street Journal. The involvement of the Skulls and Bones and Hitler are proven easily. This is a drop in the bucket of the evidence. To see more evidence of the connection of Prescott Bush and Hitler go to www.tarpley.net/bush.htm to see the online book of George Bush: The Unauthorized Biography by Webster G. Tarpley & Anton Chaitkan. But one question is why did they do it? Why use monetary power to support Nazis who murdered millions of people? Why?

The answer is that they are bigots or racists who believed in occulticism atanism along with racial purification and eugenic philosophy just like Hitler did. Where did this start? It started for centuries under the teachings of Thomas Malthus, etc. Later, as early as 1908 in the form of Mental Hygiene Society at Yale University and the headquarters of the American Eugenics Society as Yale. The following information is from www.trunkerton.fsnet.co.uk/Eugenics.htm:

"....The First International Congress of Eugenics was held in London in 1912 and was attended by a certain Winston Churchill. By 1917, fifteen US states had eugenics laws to sterilise the epileptics, the mentally ill and regular criminals. On the agenda of the Third International Congress in 1932 was the 'problem' of African-Americans which, according to the delegates, revealed a need to sterilise to 'cut off bad stock'. At this meeting were several Nazis, including Dr Ernst Rudin, who had been enabled to attend by the Hamburg-Amerika Shipping Line, owned by the Harriman and Bush families. On returning to Germany, Rudin, who was funded by the Rockefeller's, Du Pont, etc. supervised the policy of sterilising those who were retarded, deaf, blind or alcoholics...."(end of website quote)

So, The facts on eugenics involving the Rockefellers, Club of Rome, etc were involved in this. Later, the Mental Hygiene Society merged in 1952 with the Population Council. [which was created by John D. Rockefeller and John Foster Dulles, the lawyer for the Brown Brothers Harriman] John D. Rockefeller in the 1920s, was also funding the notorious racial hygiene think tank of the Eugenics Records Office. The goal is the same as to decrease the world population especially non-white Third World nations like some of the countries of Africa, Asia, etc. [This goal continues gradually today through the U.N., etc.] Averell Harriman in 1921 served on the Board of Directors of the 1921 2nd International Congress of Eugenics in N.Y.C. He would participate in these racist conferences to discuss sterilization, race mixing, and eugenics. These people had so much hatred of individuals of other races or ethnic groups that the Skulls and Bones want to reduce or have total destruction of certain races other than white WASP, Aryan, etc. Prescott Bush was the director of the Mental Hygiene Society, which evolved into the MK-Ultra program used by the CIA's help in the 1950s. (MK-Ultra also used drugs in America to fabricate the drug-sex youth culture. Also, it was used to include multiple personalities on innocent people. The victims of MK-Ultra experiments are utilized as sex slaves, to deliver drugs, messages, or murders.)

Prescott Bush also supported Planned Parenthood in the 1940s. The Mental Hygiene movement soon organized into the World Federation of Mental Health by Montagu Norman (former Brown Brothers partner) and the Bank of England Governor. Other collaborators in the eugenic scam is the Tavistock Institute, etc who financed Nazis and at the same time funded eugenic programs. The eugenic movement today is called Population Control and George W. Bush funds 3 eugenic groups of Farish, Draper, and Gray involved in sterilization, Planned Parenthood, etc. [George W. Bush in August 5, 1969 held hearings on the threat posed by black babies. When he became ambassador to the UN in 1972 he arranged for the Association of Voluntary Surgical Contraception (formerly the Sterilization League) to extend its policy of sterilizing young children with 'low' IQ to non-white countries.

Is this silly? Yes, so much for his pro-life stance. George H. W. Bush is definitely a deceiver. He’s a liar and all of his ilk are while he claims to be pro-life. Yet, Bush Sr. promotes butchering or illegally ending population growth people of a specific race (or region of the world). Gen. William H. Draper Jr. is the founder and chairman of the Population Crisis Committee and vice chairman of
the Planned Parenthood Federation. Bush Sr, Elhrich, and others have long discussed about the so-called population bomb in non-white areas of the world. Even in the 1980s according to Chapter 3 of Georges Bush’s Unauthorized Biography Twenty years before he was U.S. President, George Bush brought two “race-science” professors in front of the Republican Task Force on Earth Resources and Population. As chairman of the Task Force, then-Congressman Bush invited Professors William Shockley and Arthur Jensen to explain to the committee how allegedly runaway birth-rates for African-Americans were “down-breeding” the American population. No wonder there has been all of this circumstance. George H. W. Bush always supported population control legislation and Planned Parenthood in the 1960s and 1970s. The N.W.O. wants us dead pretty much. That’s why Prince Philip, scientists, and other elitists promote the culling of the human population by as much as 80 to 90%. This anti-life agenda involves tons of more influence, but this is sufficient information about the Skulls and Bones involvement in it. The founder of Planned Parenthood was Margaret Louise Sander who was a well-known eugenicist. Her allies admired Adolf Hitler. She even called for the extermination of the black population. This abortion issue is a farce for pro-choice people.

A disproportional amount of minorities are aborting fetuses (especially African Americans since 1996 31% of all abortions involve blacks that only make up 13% of the U.S. population. ABORTION IS 100% MURDER OF INNOCENT LIFE. ABORTION HAS KILLED 30 MILLION OF THE UNBORN SINCE ROE VS. WADE AT 1972.

The Skulls and Bones during the JFK Presidency

Secret Societies and the geo-political elite were angered by many of John F. Kennedy’s policies. They include:
1). JFK attempted to end all U.S. military involvement in the Vietnam War by issuing Memorandum No. 263 and the full elimination of all U.S. forces from Vietnam by 1965. JFK’s plan for Vietnam was to continue to send military advisors and weapons to the South Vietnamese to fight the V.C. and hopefully win the war and not using U.S. ground forces to do it. On October 2, 1963, before he went to Texas, Kennedy asked his Secretary of Defense McNamara to make a public announcement on his order for the withdrawal of 1,000 American troops from South Vietnam by the end of the year, and that the U.S. would probably withdraw all American troops by the end of 1965. Cardinal Spellman and the Papacy wanted the Vietnam War, while JFK didn’t want a super military involvement in that region of the world. In fact, John F. Kennedy said that the U.S. Constitution is always superior to canon law. The document can be found in www.jfklancer.com/NSAM263.html.

2). He wanted to end the reign of the CIA by passing National Security Action Memos 55, 56, and 57. He gave all power of the CIA to the Joint Chief of Staff.

3). JFK wanted to end the influence of the Federal Reserve, but use only United States Notes by him signing a presidential document, called Executive Order 11110 of Sept. 19, 1951 at June 4, 1963. This gave JFK, as U.S. President, legal clearance to create his own money to run the county, money that would belong to the people and an interest and debt free money ignoring the Federal Reserve notes from the private banks of the Federal Reserve.

4). Increased improved relationship with the Soviets and even the Cuban government. By fall 1963, JFK discussed detente with Cuba expressed by Ambassador William Attwood and even McGeorge Bundy. JFK also signed the Nuclear Test Ban Treaty with the Soviets in trying to gradually end the Cold War and have peace with communists. (He attempted detente with the Soviet Union in the summer of 1963.

5). Put pressure on the Mafia [The mafia existed for centuries even in the Middle Ages. Some believe that Guiseppe Mazzini (33rd Degree Freemason) modernized the Mafia during the 1800s. Others don’t] by letting be arrested, sent them through court trials, and leading many prominent mafia figures experiencing prison time or deportation. [JFK used RFK, attorney general to do it] (Carlos Marcello and San Trafficante were main Mafia figures who were anti-Castro and were involved in JFKs assassination), decrease the power of oil interests in American society [Kennedy between 1962 and 1963 pushed through legislation closing tax major loopholes that hurt the giant multinational corporations and would have impeded their expansion globally undoing a lot of people in different areas.,], repel the nuclear program of Israel (i.e. Meyer Lansky, Nahum Goldman, Louis Bloomfield of Montreal (from Permindex), and other Labor Zionists disagreed with JFK’s policy of not wanting Israel to get nuclear weapons). JFK by all accounts was a moderate in terms of Middle Eastern affairs.

6). JFK wanted the FBI leader J. Edgar Hoover to be gone, because of the age limit. JFK was suspected of warning the American people of a plot to ruin America before his first term was up. JFK publicly opposed secret societies like Masonry, etc. In an address to newspaper publishers at April 27, 1962, JFK said, “…The very word "secrecy" is repugnant in a free and open society; and we are as a people inherently and historically opposed to secret societies, to secret oaths and to secret proceedings. We decided long ago that the dangers of excessive and unwarranted concealment of pertinent facts far outweighed the dangers, which are cited to justify it....”

7). JFK wanted drastic social changes in America (he proposed the Civil Rights Bill [which was passed in 1964 by Johnson] after his famous television speech outlines support for integration and racial equality for every single American, civil rights for minorities, etc.) He also had secret knowledge about UFOs since he was one of earliest people to know about Roswell. Bill Holden, a reporter on Air Force One, in 1963 asked the President what did he thought about UFOs and Kennedy was very serious when he replied that, “I’d like to tell the public about the alien situation, but my hands are tied.”

Before discussing the Skulls and Bones involvement, the information about that time must be revealed first. The JFK administration had strong Skulls and Bones influence. Evidence is that Robert Lovett (a Skulls and Bones elder statesman) was approached by Joseph Kennedy (JFKs
father) to shape this new administration. Richard Lovett would handle the industrial mobilization under President Franklin Roosevelt. McGeorge Bundy was appointed as Kennedy's National Security Adviser, Averill Harriman was under Secretary of State for Asian Affairs (a position where many critical recruit decisions in Vietnam were executed), William Buckley [young CIA recruit in the 1960s], and William Bundy remained in a senior post at the CIA. All 4 people in the administration are members of the Skulls and Bones. The Skulls and Bones agenda with so much influence was to continue military involvement in Vietnam, continue oil industries, follow eugenic programs, and increase the drug trade destroying American society. JFK was first apt to participate militarily in Vietnam with using U.S. troops, but later he resisted that notion by his continued talks with General MacArthur (war hero who fired by Truman with advice by Averill Harriman. MacArthur was though a 33rd Degree Freemason, but at least resisted the folly of using U.S. military involvement in Vietnam.). In April 1961 (after the Bay of Pigs) according to Kennedy’s aide, Theodore Sorenson, Douglas MacArthur told Kennedy, “The chickens are coming home to roast and you happen to have just moved into the chicken house.” (Theodore Sorenson, Kennedy [New York: Bantam, 1966], p.329). MacArthur told JFK that anyone supporting U.S. ground forces in the mainland of Asia should have their head examined in July 1961 as well. It was these secret, private decisions and more that lead President John F. Kennedy to have second thoughts on escalating the Vietnam War. Bonesman William Sloan Coffin would serve in the anti-war Movement (He once served as a CIA officer). What are more details of Skull and Bones involvement in the JFK administration?

First, you have to look at the Bay of Pigs. In 1959, Batista was overthrown by Fidel Castro (a communist). The plans to overthrow Castro have begun as early as 1959. 1959 was the year that Bush started operating out of his Zapata Offshore headquarters in Houston. It was also the year that Fidel Castro seized power in Cuba. At, May of 1960, according to Richard Nixon, President Eisenhower had ordered the CIA to arm and train exiles to attempt to overthrow the new regime. JM/WAVE was an operational center for the Eisenhower regime’s project of staging an invasion of Cuba using a secret army of anti-Castro Cuban exiles organized, armed, trained, transported, and directed by the CIA. The CIA took charge with Allen Dulles (Director of the CIA), Richard M. Bissell Jr. (was actually the CIA man in charge of planning it according to Ross & Wise and the Deputy Director of the supervising the Bay of Pigs operation being a former employee of Averill Harriman, Prescott Bush’s old boss. Bissell’s older brother William was a Skulls and Bones), along with General Charles Cabell, E. Howard Hunt (who took charge of the actual invasion and a CIA agent since 1949 who also helps create the Cuban Revolutionary Council (CRC), which serves as a government in exile for anti-Castro Cubans.) and Richard Nixon (a CFR member who with other groups organized Operation 40 [or Operation Zapata] which was the secret program to invade Cuba in 1961.

At 1961, The CIA used George H. W. Bush [CIA agent/Skulls and Bones] to organize some of the Cubans [the whole anti-Castro Cubans trying to fight Castro were part of Brigade 2506] for the invasion. George Bush had the type of power since he owned Zapata Offshore Oil Company at 1959 and according to L. Fletcher Prouty (a military person who thinks the JFK assassination was a conspiracy) he delivered 3 ships to George H. W. Bush for preparation of the Bay of Pigs invasion.

The 3 ships are named after his wife, hometown, and oil company (the 3 names are of course Barbara, Houston, and Zapata).
The CIA code name for the Bay of Pigs is ironically called Zapata. Bush supervised many of the Cubans and others to invade Cuba like E. Howard Hunt/Frank Sturgis [E. Howard Hunt before died in 2007 admitted that he had a low level CIA role in the assassination of John F. Kennedy], Felix Rodríguez (involving in Water and Iran/Contra), Rafael Quintero, Felipe de Diego, Virgilio Gonzales (also involved in the Watergate burglary), plus Americans like Bernard Baker, Jack Crittiton, Robert Mosbacher, James Baker, James McCord (Charles Colson who’s now a preacher for prisons was a CIA official in that time and knew McCord and Hunt), etc. The Bay of Pigs was a failure, because of cover issues. The result was anger at JFK mainly and George Bush even wanted JFK to muster the courage to try a second invasion of Cuba. It didn’t occur. JFK took the blame for the Bay of Pigs, but even McGeorge Bundy (he grounded the brigade's own B-26's according to Col. Fletcher Prouty) admitted that he was responsible for the cover issues. By 1963, a plot for his death began among numerous people.

Other testimonies from others talk about a conspiracy. According to James Rothstein, low-level CIA agents implicated in the plot were Roman Catholic Frank Strugis, etc. They believed JFK betrayed them in the Bay of Pigs failed invasion (using the USS Essex). Rose Cheramie (who knew Ruby) said that people would kill the President before it happened (as proven by James di Eugenio's Probe Magazine), ex-CIA agent Robert Morrow claimed to be involved in a conspiracy to kill the President also. E. Howard Hunt admitted in a deathbed confession that elements of the CIA and LBJ had foreknowledge and involvement in the death of President John F. Kennedy. Hunt’s son named Sir John Hunt talked with JFK assassination researcher Jim Marrs about this very issue.

LBJ

Jean Hill wrote that Lyndon Johnson was ducking before the shots were fired into the car: "...What are you talking about?” Jean asked innocently. “I don’t understand.” “My friends in the motorcade say he started ducking down in the car a good 30 or 40 seconds before the first shots were fired. I’d say that’s just a little peculiar wouldn’t you?” “Oh, come on, J.B.” Jean Hill said, thinking he had to be joking. “They obviously weren’t serious, were they?” “As far as I know they were dead serious.” J.B. said. “One of them told Maguire that he saw Johnson duck down even before the car turned onto Houston Street, and he sure as ____ wasn’t laughing when he said it.” “Well, maybe Johnson just dropped something on the floor and bent over to pick it up. I mean there can be a simple explanation.” “Maybe so.” J.B. said. “I don’t claim to know what his reasons were but this guy said it sure looked like he was expecting bullets to be flying. When I heard it, it made me start wondering about a whole lot of other stuff too.”(Jean Hill, "JFK: The Last
Dissenting Witness”, Pelican Publishing, p. pp. 114-116). And as the shots were fired at Dealey Plaza, Senator Ralph Yarborough saw something even more interesting than the puffs of smoke coming from the Grassy Knoll. In the midst of the commotion he turned and saw Johnson was listening to a walkie talkie radio hanging over the rear seat; which was “turned down real low”.

What's interesting is that Oswald not only had CIA and FBI connections. His cousin was a Jesuit priest named Eugene Murret. LBJ was a President after JFK. JFK was one of the first men in America to publicly say I'm opposed to Secret Societies, secret oaths, and secret proceedings in 1961. Even though he was a K of C, that was brave of him to say it. What's interesting is that there is a picture of LBJ getting a wink and a smile from Congressman Albert Thomas. His wife, Lady Bird, is smiling by his side. LBJ would swear on a Missal book and was a friend of Priest Schneider. One missing link revolving around the JFK assassination that few talk about is Permindex. What is Permindex? Permindex is a shadowy corporation that was once based in Switzerland. The New Orleans District Attorney Jim Garrison charged businessman Clay Shaw with participation in the JFK assassination conspiracy. Jim Garrison said Clay Shaw was a CIA agent. In 1979, Richard Helms, former director of the CIA, testified under oath that Clay Shaw had been a part-time contact of the Domestic Contact Service of the CIA, where Shaw volunteered information from his travels abroad, mostly to Latin America. Jim Garrison soon discovered about Permindex. A primary shareholder in Permindex was the Banque De Credit International of Geneva, founded by Tibor Rosenbaum, an arms procurer and financier for the Mossad. Louis M. Bloomfield was the chairman of Permindex. Clay Shaw was in 1946-1965, Clay Shaw was the manager and director of the International Trade Mart in New Orleans. Bloomfield is not only a member of the Knights of St. John of Jerusalem, but he also was an ally of the Jesuits in Canada. Permindex supplied industries internationally, especially in America. On their board of directors were known fascists. One was Ferenc H. Simonfay, Major-General in Hungary and a Nazi collaborator. Italy expelled Permindex in 1962 for their subversive activities.

The following are about the shots. The shots occurred in Dealey Plaza. We all agree that all of windows on the 6th Floor of the Book Depository Building wasn’t sealed off correctly. The Zapruder film captured all of the shots that hit JFK. According to Eric Jon Phelps, Abraham Zapruder, who was the person caught the film was a 32nd degree Jewish Freemason.
Freemasonry's connection to this event and cover up is really powerful. Complex is a word to describe this portion of the John F. Kennedy mystery, but the reality becomes obvious. The official government story involving the shooting was that Oswald alone from the 6th floor of the Book Depository Building fired 3 shots. The first shot missed, the second one hit Kennedy and Connally (This bullet turns right and left. It's found in almost pristine condition), and the last one blew Kennedy's brains out. This is called the Magic Bullet Theory. For the bullet to travel according to the Warren Commission, the bullet must go through the spine (one of the strongest bones in the body). My research and the real truth makes manifest of the point that more than one bullet hitting JFK in more than one direction. One example of this is why John F. Kennedy's head was moving back into the left, which is sign that one shot came from the front. An Expert Wrecht said that JFK's moved backward from the left which means that a shot was from the front. Wrecht theorized that the bullet could be from the Grassy Noll. Some witnesses came into the Grassy Noll believing that a shot occurred from that location. Now if Kennedy was shot from behind only, then an entry wound be at the back of his head. Notice how the investigation of his wounds wasn't complete. Even all of his autopsy wasn't complete and his brains was missing. The refutation of the entry wound in the back of his head is easy. A New York Times reporter at the day of the assassination named Tom Wricker wrote about the doctors who treated JFK. He writes that Dr. Malcolm Perry (an attending surgeon) and Dr. Kemp Clark (the chief of neurosurgery at Parkland Hospital) said that John F. Kennedy was shot in the throat just below the Adam's apple. This wound both Doctors said was a sign of an entry wound which means it had to come from the front. Also, JFK had a wound in the back and one in the right side of his head. Malcolm, a JFK press Secretary said that the head wound was in the right side of the temple in the front of Kennedy's head. The wound in the back his head is the exit wound. Dr. Paul Peters, Dr. Richard Dulany, Dr. Jenkins, and others all speak of a large hole in the back of JFK's head. Therefore, shots from the front shot entry wounds in front making Oswald not capable of creating all of the shots. Mark Weiss, who is an acoustics expert, cite a 99.99% certainly that more than one bullet hit from different directions hit the President of the United States possibly from the Grassy Noll. He said this in the late 1970's. More than one shot hitting a person from different directions is by definition a conspiracy. There are at least 5 shots fired that struck near or at John F. Kennedy. Here's a simple summary of them:

1). The first shot missed the car completely and ricocheted off the curb far ahead of the car and a fragment grazed James Teague, a bystander in the cheek.

2). The second one hit JFK in the neck from the front because Connally immediately looked over to his right shoulder to see the origin of the sound. This is when Kennedy clutched his throat which is known in the Zapruder film and other sources.

3). The third shot struck John Connally in his back causing 5 wounds (in the right back, right chest, the entry and exit wounds are located at the right wrist and one wound on the left thigh). John Hankley of the JFK II film believes all 3 wounds were made by all 3 different bullets.

4). The fourth bullet hit JFK in the back.

5). The fifth shot struck JFK's head (at the right temple) from the front and a large exit wound was on the right side of JFK's head.

*According to Wheaton M. Coward, a great JFK assassination researcher, other shots we're included like:

- A shot that struck Elm Street behind the President's car seen by witnesses.
- The shot that hit a manhole in the plaza. This bullet came from atop the County Records Building used by the gunman Deputy Harry Weatherford (a bullet was found these 3 minutes after the firings stopped).
- The shot which another bullet hit the windshield from the front of the car of the presidential to the right of the steering wheel (John Hankley, doctors, and other witnesses described this shot).
- John Hankley in his JFK II film document how
a bullet was in the roof frame of the vehicle where John Fitzgerald Kennedy was murdered.

To still believe that all of these bullets originated from one gunman firing from the Texas School Book Depository (TSBD) is purely folly, desperation, and denial. These shots alone destroy the Warren Commission’s claim that there were only 3 shots fired and all of them were fired directly from the Depository building executed by Lee Harvey Oswald.

The Cover Up of the JFK Assassination:

The public wanted more answers concerning the murder of JFK more than the Masonic FBI could provide. So, on Nov. 22, 1963, President Johnson issued an executive order creating the Warren Commission. After the assassination, Earl Warren [ex-California governor/instigator of the concentration camps during WWII against innocent Japanese Americans and probably one good thing he did when he was on the Supreme Court was issuing school integration by the Brown vs. Board of Education decision], Gerald Ford [Bilderberg Group], J. Edgar Hoover [Warren, Ford, and Hoover are all 33rd Degree Freemasons], John McCloy (CFR member), and Henry Luce (a Skulls and Bones member), Cartha DeLoach (The 3rd person in charge of the FBI and Knight of Malta who suppressed and fabricated evidence) were involved in the cover-up. Earl Warren, Gerald Ford, and others created the Warren Commission to figure out the mystery and found that Oswald was responsible alone. (which is a lie). The whole commission was a shame and issued a stupid magic-bullet explanation supported by Arlen Spector [a Jewish person is possibly a Freemason]. Henry Luce is more than being part of the Skulls and Bones, but a Knight of Malta, [a Catholic Secret Society], CFR member, and an editor of Time-Life magazine at the time. His office was in Rockefeller Center across from Cardinal Spellman’s St. Patrick Cathedral purchased the Zapruder Film for 150,000 Federal Reserve Notes and published the notorious forgery of Oswald holding a rifle on the cover of Life magazine. Luce claims Oswald and Cuba was involved in JFKs death, but we are know better than that lie. After Kennedy’s assassination, Boneman McGeorge Bundy would serve as LBJ’s National Security Advisor until he left. He became the President of the Ford Foundation, which is a larger tax-
exempt agency.

Some believe that George H. W. Bush is tied to JFKs assassination:

Some researchers believe that documents and other information recently found ties of George H. W. Bush [a CFR member, a Trilateral Commission member, a Skulls and Bones, and a Bohemian
Club member] with the involvement of JFK assassination. Paul Kangas is one of the first investigative journalists who tie Bush to JFK. He died mysteriously [at February 8, 1999]. The summary of the ties are of his excellent work to which I dedicate. Mainstream society and especially George H. W. Bush doesn’t want you to know this. With JFKs murder, Secret Societies (and the global elite along with their international bankers) promoted the Vietnam War, insulated illegal drugs to America, increased oil companies’ profit, and other things to continue their plans for a N.W.O. Lyndon Baines Johnson [who was an Entered Enterprise Freemason and successor to JFK] created Memorandum 273 to propel the Vietnam War military with John McCone’s help. Here are some examples of that evidence:

I). Rodney Stich's book "Defrauding America" tells of a "deep-cover CIA officer" assigned to a counter-intelligence unit, code-named Pegasus. This unit “had tape-recordings of plans to assassinate Kennedy” from a tap on the phone of J. Edgar Hoover. The people on the tapes were "[Nelson] Rockefeller, Allen Dulles, [Lyndon] Johnson of Texas, George Bush and J. Edgar Hoover."

II). George de Mohrenschidt (Oswalds friend) was an important witness in the 1st Kennedy assassination investigation. He was murdered in the day (at 1977) when he was supposed to testify about the assassination, because found in his phone book were George Bushs name and Bushs company name. (i.e. Bush, George H. W. (Poppy) 1412 W. Ohio Zapata Petroleum Midland). His testimony could tie George H. W. Bush and others in the assassination so he was killed in Palm Beach, Florida.

III). J. Edgar Hoover (who was a 33rd Degree Freemason and a Shriner), who was head of the FBI signed a memo naming George Bush of the Central Intelligence Agency as a supervisor of the bands of CIA-funded anti-Castro Cuban terrorists and assassins. The title of the memo is Assassination of President John F. Kennedy. Funny that Bush acknowledged that the memo is real, but deny being part of the CIA before 1976 and thinks it describes another George Bush. Hes a liar, because Nixon appointed him as a person involved in the Bay of Pigs as a CIA agent in 1961 and the other George Bush which George H. W. Bush claims its directed to is actually a desk clerk not a supervisor of Cuban radicals. The FBI document was exposed first by Joseph McBride in the Nation in July 1988 just before Bush received the Republican nomination for President.

IV). From the Realist (Summer, 1991):

"Bush was working with the now-famous CIA agent, Felix Rodriguez, recruiting right-wing Cuban exiles for the invasion of Cuba. It was Bush's CIA job to organize the Cuban community in Miami for the invasion.... A newly discovered FBI document reveals that George Bush was directly involved in the 1963 murder of President John Kennedy. The document places marksmen by the CIA. Bush at that time lived in Texas. Hopping from Houston to Miami weekly, Bush spent 1960 and '61 recruiting Cubans in Miami for the invasion....

"George Bush claims he never worked for the CIA until he was appointed Director by former Warren Commission director and then president Jerry Ford in 1976. Logic suggests that is highly unlikely. Of course, Bush has a company duty to deny being in the CIA. The CIA is a secret organization. No one ever admits to being a member. The truth is that Bush has been a top CIA official since before the 1961 invasion of Cuba, working with Felix Rodriguez. Bush may deny his actual role in the CIA in 1959, but there are records in the Bay of Pigs invasion of Cuba that expose Bush's role...

On the Watergate tapes, June 23, 1972, referred to in the media as the ‘smoking gun’ conversation, Nixon and his Chief of Staff, H.R. Haldeman, were discussing how to stop the FBI investigation into the CIA Watergate burglary. They were worried that the investigation would expose their connection to 'the Bay of Pigs thing.' Haldeman, in his book “The Ends of Power”, reveals that Nixon always used code words when talking about the 1963 murder of JFK. Haldeman said Nixon would always refer to the assassination as 'the Bay of Pigs'. On that transcript we find Nixon discussing the role of George Bush's partner, Robert Mosbacher, as one of the Texas fundraisers for Nixon. On the tapes Nixon keeps referring to the 'Cubans' and the 'Texans.' The 'Texans' were Bush, Mosbacher and Baker. This is another direct link between Bush and evidence linking Nixon and Bush to the Kennedy assassination. Those responsible for the Watergate
burglary was E. Howard Hunt and other Bay of Pig veterans ironically. Some of these same figures according to Webster Tarpley’s research like Felix Rodriguez would have connections to the Iran Contra scandal.

Georgie Anne Geyer points to the obvious in a recent book: "...an entire new Cuban cadre now emerged from the Bay of Pigs. The names Howard Hunt, Bernard Barker, Rolando Martinez, Felix Rodriguez and Eugenio Martinez would, in the next quarter century, pop up, often decisively, over and over again in the most dangerous American foreign policy crises. There were Cubans flying missions for the CIA in the Congo and even for the Portuguese in Africa; Cubans were the burglars of Watergate; Cubans played key roles in Nicaragua, in Iran Gate, in the American move into the Persian Gulf." (Georgie Anne Geyer, Guerilla Prince [Boston: Little, Brown, 1991]). It’s interesting to point out that during the early 1950’s, E. Howard Hunt was a CIA station chief in Mexico City. As David Atlee Phillips (another embittered JM/WAVE veteran) tells us in his autobiographical account, The Night Watch, Howard Hunt had been the immediate superior of a young CIA recruit named William F. Buckley, the Yale graduate and Skull and Bones member who later founded the National Review.

V). Bush to this day doesn’t know where he was during the JFK assassination only acknowledging that he was in Texas. He could have been in Texas, because the Zapruder film photographed Cubans [the Cubans held the umbrellas as signals just as JFK was shot] and there are photos that even show Nixon, Hunt, and Sturgis there.

On Nov. 22, 1963, "Nixon was in Dallas with a top executive of the Pepsi-Cola Company, Mr. Harvey Russell, the general counsel. Nixon was a legal counsel to that corporation. That top executives son has told of Nixon’s presence in Dallas at the time of the assassination, and Russell has confirmed the accuracy of his sons account. Later, sometime after the shooting, Nixon was driven to the Dallas airport by a Mr. DeLuca, also an official of the Pepsi-Cola Company. In addition, the son of another Pepsi-Cola executive was in Dallas at that time and had dinner with Jack Ruby, Oswald’s killer, the night before JFK was murdered." [JFK: The CIA, Vietnam, And The Plot To Assassinate John F. Kennedy, Col. L. Fletcher普瓦特, 1992]

Jack Ruby was a Mafia gun smuggler and worked for Richard Nixon at all time. According to the Pepsi Cola quote, DeLoach, Iacocca [Knight of Malta] all worked together in the events related to the assassination of JFK. Nixon [CFR member/ Bohemian Club member] had many connections with the Mafia and Nazis like George H. W. Bush had. Nixon was involved in fermenting the modern War on Drug, he tried to end the Vietnam (but scandals on that war continued), he supported the Bay of Pigs invasion, and he won his 1968 election (after losing the 1960 election). JFK’s murder is extremely complex, but not unsolvable.
Info on the Modern Bonesmen Network:

The main oil companies linked to the Order are:

- Standard Oil Trust Corporation
- Shell Oil of America
- Creole Petroleum Corp.
- Pennzoil Corporation (the founder and present chairman of the board of this corporation started out in the oil business in partnership with George Bush in Zapata Oil).

There are 8 major Wall Street and Washington D.C. law firms that stand out practically as owned subsidiaries of the Order of the Skulls and Bones. Each firm was founded by members of the Order and continues to this day helping Skulls & Bones members in legal processions. The Skulls and Bones law firms are:

- Lord Day Lord
- Crovath Swaine & Moore
- Davis Polk Wardell
- Covington & Burling
- Simpson Thacher Barlett
- Dewey Ballatine Palmer & Woods
- De Bevoise Plimpton Lyons & Gates
- Milbank Tweed Hadley & McCloy

They also have major tax-exempt philanthropic foundations of America with ties to the Skulls and Bones. They include the Russell Sage Foundation (involving social programs), the Peabody Foundation, Slater, and several Rockefeller foundations (like the Ford Foundation plus the Carnegie Endowment). Thomas Richards from the site of http://www.spirituallysmart.com/riggs.html documents the Riggs Bank’s connections to the Scroll and Key including the Jesuits (plus the Bush family). This banking connection is very real. **The co founders of the Riggs National Bank was George**
Washington Riggs and William Wilson Corcoran (who was a Jesuit Georgetown University graduate). It would be Peabody and Riggs that would assist JP Morgan in his banking. It’s interesting to find out that Skulls and Bones member Charles Carroll Glover became a dominant force in the bank by 1881. T. Lawrence Riggs founded the St. Thomas More Chapel at Yale University. Thomas More was an authoritarian Roman Catholic who not only oppose King Henry VIII on the throne, but he had people burned at the stake for disagreeing with Papal doctrines. In 1935, four hundred years after his death, Pope Pius XI canonized More in the Roman Catholic Church. That was a disgrace. Riggs was Yale’s first Catholic Chaplain and an ex-Scroll and Key members. The Scroll and Key is a secret society that’s similar to that of the Skulls and Bones. T. Lawason Riggs worked as an intelligence officer during WWI. Riggs would be apart of these other fraternities: Psi Upsilon, Scroll and Key, Chi Delta Theta, and Phi Beta Kappa. The Riggs Banks today have been caught up in scandals like courting the former Chilean dictator Augusto Pinochet. Bonesman Jonathan Bush was on the board of Riggs Bank in 2004. Jonathan is an American banker and the brother of Bonesman George H. W. Bush ironically. The Jesuit Leo J. O’Donovan was on the Riggs Bank’s board. O’Donovan is known to be on the board of Directors of Disney since 1996. Jesuit James E. Fritzgerald had shared in the Riggs Bank as well. Knight of Malta George P. Clancy Jr. once worked with Riggs Bank.

New Nicknames Names:

Alexandra Robbins is a 1998 Yale graduate on the staff of the New Yorkers Washington Bureau wrote an expose on the Skulls and Bones. On part 1, she lists several names that the Skulls and Bones members use. Its normal to see the elite members of society to have secret names anyway when initiated into a coven like this secret society. These names include:

-Long Devil (the tallest member)
-Boaz (short for Beelzebub=one of the principal demons of Hell and any man who was a football captain)
-Thor (Averell Harriman was one)
-Odin (McGeorge Bundy)
-Baal (Henry Luce)
-Magog (for incoming Bonesmen who had the most sexual experience. William Howard Taft, Robert Taft, and George H. W. Bush were Magogs).
-Gog (the new member who had the least sexual experience)

The Roman Catholic/Skulls and Bones connection

These occult rituals of the Skulls and Bones take place in a building called “The Tomb.” In the ceremony, a person dresses up like the Pope, one is dressed like Hiram Abiff (who is a Masonic representation of a Christ figure), and the other is Don Quixote. What is significant of Don Quixote to the Jesuits and the Vatican? Now, de Cervantes Saavedra is the author of Don Quixote and he was a strict Catholic. de Cervantes in the Don Quixote book praised Pope Pius V and called the Pope “His Holiness.” De Cervantes used Don Quixote as a representation of Ignatius Loyola, who was the founder of the Jesuit Order. The skulls and crossbones is a known Jesuit emblem (when a Jesuit goes into a Chapel of the Order to be apart of a position of command from a lower rank). There are colors of yellow and white, which are of the Pope. There is a black banner with a dagger and a red skulls and crossbones as symbols. the skull and crossbones is the symbol of the Chancellor for the Knights of Columbus. The Skulls and Bones also worked with the Pope and Roman Catholic Church. This is what Catholic apologists refuse to talk about or display on their literature because:

- Prescott Bush and even George H. W Bush had early issues with Catholicism in the mid 20th century. Even George W. Bush had the Bob Jones University incident, but he regularly has meeting with Pope as recent as July 23, 2001.

-William F. Buckley Jr. and Henry Luce are Knight of Malta (which is a Catholic group) as well. The connection is there making the Vatican having some part in the formation of the New World Order.
- Ronald Reagan (a honorary 33rd Degree Freemason) created a concordat (agreement for a contract that’s binding) with Pope and the Vatican in 1984. Reagan established diplomatic relations between the United States [an act of treason, because the Vatican illegally asserted herself as a sovereign country in 1929 by Mussolini].

The Vatican created a concordat between Benito Mussolini on behalf of King Emmanuel III and Cardinal Gasparri on behalf of Pope Pius IX. The whole deal is called the Lateran Treaty or Lateran Concordat of 1929. This agreement has never been revoked to this day and it established the political power and diplomatic standing of the Catholic Church. Italian patriots made all of Italy one nation without Vatican control in the 1800s. It’s a revolution with much legitimacy, but one problem was that many of the patriots were Freemasons. Reagan’s administration also had unprecedented amounts of Catholics on it as well. J. Edgar Hoover had a good relationship with Cardinal Cushing [a Catholic] in the 1950s-1960s by both being frantically anti-Communists.

- Ex-President Lyndon Johnson also went to Cardinal Spellman’s funeral procession at St. Patrick’s Cathedral and a picture can be seen in Cooney’s work called the American Pope. LBJ was a friend of Jesuit priest Schneider of Texas. It is true that many Masons especially even some 33rd Degree Masons disliked JFK’s Catholicism like Luther A. Smith [Sovereign Grand Commander of the Supreme Council 33 at Washington D.C. whose comments at the New Age Magazine (The Official organ of the Scottish Rite of Freemasonry) at February 1960 casts doubt over Catholics allegiance to the Pope or the U.S. Constitution], but many Catholics have been accused of being connected to JFK’s assassination like Clay Shaw, David Ferrie, E. Howard Hunt, John A. McConie [Knight of Malta and ex-Director of the CIA in the 1960s], Cartha DeLoach [involved in cover-up], etc not just the Masons.

- Even George W. Bush went to the funeral of Cardinal O’Connor at St. Patrick Cathedral (a Catholic Church and George H. W. Bush has been a honorary Knight of Malta since the 1980s, so this anti-Catholicism argument used in Catholic apologetics is pure myth.

- In fact Reinhard Gehlen [Roman Catholic, Nazi Intelligence General of WWII, he was awarded by the Knight of Malta, war criminal] trained the Mossad (Israeli Military Intelligence) in Israel after WWII (according to John Loftus). Lofton wrote that Reinhard Gehlen trained the Mossad’s early troops. Gehlen with William J. Donovan, and Allen Dulles [Donovan was a strong Roman Catholic. Dulles was a Mason] with Truman’s [33rd Degree Freemason CFR member] consent created the CIA by the National Security Act of 1947 (in September 18, 1947). So there’s friction between high-level Masonry and high-level Jesuits or Catholics? Of course not, but Catholic apologists or Catholic prophecy so-called scholars would use half-truths and sugarcoat history (even blaming Protestant for some Catholic problems yet Protestants and other groups of people suffered through the Inquisition, Bartholomew Day Massacre, Irish Massacre of the 1600s, Bloody Mary’s campaign, Waldensian crusades, Lollard deaths, Gunpowder Plot of the 1600s, many assassinations of people, the invention of the international slave trade, etc and you don’t heard a word of that by them. Its pure hypocrisy by the Catholic apologists.) to try to back themselves up which they cant.

- Gehlen, J. Peter Grace (CFR member/Knight of Malta) and the CIA also created Operation Paperclip, which used Nazi super-technology and implanted it in Area-51 for the purpose of creating super technology like anti-gravity devices (UFOs), aliens [aliens could be actually Nephilim or fallen angels that change into beings to deceive], etc after WWII. The U.S. government used the vast majority of Nikola Tesla and Viktor Schauberger’s high-tech technology to create a false alien invasion for the N.W.O.

- Roman Catholicism has 1.1 billion sheep worldwide, tons of newspapers, influence, groups, political people (Ed Muskie, Bruce Babbit, Bill O’Reilly, Chris Matthews, Alexander Haig, Tom Ridge, Donald Rumsfield, Clarence Thomas, Pat Buchannan [who is a Knight of Malta and a media figure in MSNBC], Senator Bob Smith of New Hampshire, etc.), organizations, etc. that refute the anti-Catholicism bigotry lie.

This is a conspiracy fact not a conspiracy theory. A conspiracy is simply more than one person organizing a plan to an end then carrying out that plan. The Catholic Church will be the stepping
ground of the N.W.O. in this way. In 1991, according to The Director of the House of Theosophy, Bill Lambert, declares that the Roman Catholic Pope is going to be a "proper receptor" to the Antichrist and will be the Supreme Leader of the new global religion of the Antichrist (according to www.cuttingedge.org). This part of the New World Order Plan labels the Pope as the Biblical False Prophet. That’s the plan for the N.W.O. So the plan is there.

More Information about the Skulls and Bones:

Now, the goal of the Skulls and Bones is the same as all secret societies to form control in society in a new order (this is similar to the goal of the one-world government or the New World Order) as soon as possible with whatever means as possible. Many government officials (and other leaders) are part of the Skulls and Bones like:

- Frederick W. Smith (He was the Founder of Fed-Ex)
- Dana Milbank (He is the political report for the Washington Post)
- Howard Stanley (He was the founder of Morgan Stanley and an investment bankers).
- United States Senator Robert A. Taft from 1938 to 1950.
- The founder of Archer Daniels Midland and agro-industrialist John Thomas Daniels.

- David Buren (D-Okla) is chairman of the Senate Intelligence Committee. He was initiated in 1963.

- Sen. John Chaffe (R-R.I.), Former Navy Secretary and on the Senate Intelligence Committee.

- Sen. John Heinz (R-PA.) was killed [in 1991] in an airplane crash and his father was a Bonesman. The Heinz family has one of the largest food producing companies in the world.

- Sen. John Kerry (D. Mass.)-Formerly on the Senate Intelligence Committee, Kerry is now on the Senate Foreign Relations Committee. He was initiated in 1966.

- Daniel J. Stratton (a supposed Evangelical Christian).

President George W. Bush was initiated in 1968. His uncle George H. W. Jr., uncle Jonathan Bush, and cousins (George H. W. III and Ray Walker) are all Skulls and Bones also. Connie Chung of CNN was scheduled to do a documentary on the Bush Family along with the Skulls and Bones in 2001, but it was cancelled after CNN promoted it heavily. Why? Its because all mainstream media and all TV networks are controlled by the CFR (the Pilgrims, and other elite groups) and controversial information is repressed [in mainstream media]. Certain factions of the United States government wants to ban certain information on the Internet to promote Internet 2 (or a controlled system of information sent to the public). Condoleezza Rice [was a corporate director of Chevron, CFR, and Presidential Advisor to Bush] at October 10, 2001 called up executives from ABC, NBC, FOX, CBS, and CNN to restrict footage of al-Qaeda [a creature of the CIA. Al-Qaeda had links to the Masonic Muslim Brotherhood] and other boundaries of media coverage. The media is definitely CFR controlled. The CIA back in the 1950s created Operation Mockingbird to infiltrate all of Americas newsrooms (The effort was headed by Frank Wisner, Allen Dulles, Richard Helms and Phillip Graham [publisher of the Washington Post which becomes a major CIA player] that makes at least 25 organizations and 400 journalists as CIA assets) and it was such a success that ex-CIA director, William Colby, boast that the Central Intelligence Agency owns everyone of any major significance in the major media. Now the head of the CIA is George J. Tenet [CFR]. In fact, a lot of your well known journalists or reporters are CFR (i.e. Bill Moyers, William Paley, Dan Rather, Tom Brokaw, David Brinkley, Diane Sawyer, Barbara Walters, Jim Lehrer, Robert McNeil, Tony Snow, Thomas L. Friedman, Ted Koppel, George Stephanopolos [also Bilderberg Group], Lesly Stahl, Michael Eisner, Paula Zahn, Ed Bradley, Fareed Zakaria, Robin Wright, etc.).

They love to play on the left and the right for their advantage for decades and they rule these programs watching what we see on the news even the cable news. To this day, mainstream news media have been instructed to never cover any event that David Rockefeller or the family of the Rothschild are involved in, because restriction of wisdom is commonplace among the mainstream media. Papal Knight of St. Gregory Rupert Murdoch is probably the biggest media figure on Earth. He heads News Corporation (which controls FOX News). The American public isn’t stupid, but many Americans are brainwashed because of the emotion and strong imagery of the news. The plan for a criminal world government has been here for centuries, but now people are knowing about it in a great magnitude. September 11th unfortunately was the event of more illegal actions by the President and Secret Societies. Here’s a summary starting with Bill Clinton. Clinton meets JFK when he was 16 years old and attended a Catholic parochial school. This is pure truth here and the media will never report the following information for obvious reasons. Clinton got his law degree at Georgetown (Jesuit) University where he was indoctrinated into communist/socialist philosophies (as well as Fidel Castro).

I forgot. Clinton went to the Soviet Union in 1969 [to be indoctrinated some more about anti-Americanism as a visitor in the Kremlin]. Later, he became a draft dodger [came to Catholic Oxford University at England], perform drug scams, and becomes President. Bill knew about Sovereign Knight of Malta William Casey. Bill Clinton claims to be a Baptist, but he’s more Ecumenical. Bill Clinton even performed the Romanist mass in South Africa years ago. A picture shows it. Bill Clinton was a Bilderberger and was a DeMolay member as a child.
The Waco Incident

Bill Clinton also supports the Waco genocide. It was about a religious group called the Branch Davidians being attacked by the federal government in their Mt. Carmel compound just outside of Waco, Texas. The following will prove that the Davidians never provoke this attack by the U.S. government at all. I don’t agree with their religious dogma, but religious freedom is one tenet of the Constitution. Even if Koresh [who was a deduced man by claiming to be God. Ironically Koresh died when he was 33 years old] was insane or abused children, a simple warrant (along with a police round) up would be sufficient to end the standoff if the Branch Davidians wouldn’t comply. The Branch Davidians at Mt. Carmel were an offshoot of the largest home-grown religion of the United States, the 7th Day Adventist Church. They lived on the land. They lived independent, legally owned firearms, and worked hard on their property. The BATF was one of the groups involved in the raid. David Koresh invited federal agents to inspect his guns before the raid back in 1992. Davey Aguilara, who is the BATF lead investigator of the Davidians, (and Special Agent Jimmy R. Skinner) visited Koresh’s gun dealer, (who was named) Henry McMahon in July 30, 1992. McMahon called Koresh saying that government agents were asking questions. Koresh replied, “If there’s a problem, tell them to come out here. If they want to see my guns, they are more than welcome,” which was reported by Dick J. Reavis. Reavis mentioned this information also in his landmark 1995 book, entitled “The Ashes of Waco.” The feds refused. BATF agents allege that the Davidians opened fire in a vicious ambush. Some Davidians allege helicopters fired on them during the opening moments of the raid. BATF has consistently denied this, but there is a pre-raid BATF memo that discusses using gunfire from helicopters to “distract” the Davidians. The siege on the Davidian compound began on February 28, 1993. Instead of simply knocking on the front door, 100 BATF agents stormed the compound to arrest David Koresh. Later, the Clinton administration used a false methamphetamine laboratory charge as an excuse to attack the building. FBI agent Lon Horiuichi [who was a Japanese Roman Catholic] instigated the murder of over 80 innocent men, women, and children at Waco. Hillary Clinton, Janet Reno [ex-Attorney General], and Webster Hubbell [later he felt sorry and remorse committing suicide later] would support the Waco raid. Koresh went jogging before the raid and the government could easily arrest him during those times (not to mention the government did little to end the compound over the 1987 shootout incident between Koresh and Roden). Yet, they didn’t. The BATF and FBI agents fired with automatic weapons at the front door and the walls when they realized that innocent women, men, and children were inside. According to Chapter 9 of “The Secret Terrorists book” entitled: “THE WACO MASSACRE”:

“….Linda Thompson’s videotape entitled Waco, the Big Lie, shows that those BATF agents were
not killed or shot at by Branch Davidians. The tape shows the agents going into the compound through an upstairs window. It then shows the other BATF agent, who is out on the roof, actually shooting in through the window where those BATF agents had just entered. Those four BATF agents, who were bodyguards of Bill Clinton, were killed by their own people…”

Not a single Branch Davadian violated any law whatsoever in 1993. None. It was for the purpose to intimidate Americans [especially discredit Christianity], and eliminate all handguns for the purpose of creating a N.W.O. It happened in April 19, 1993. The murderers were federal troops, elite Delta Force Army Commandos [armed with M-60 tanks modified into Combat Engineering Vehicles-CEVs], along with the Texas National Guard, and the Army’s Joint Task Force Six [this task force had U.N. combat elements from Fort Hood.] They gassed the compound and fire came from their weapons since the only weapons the Davidians had were guns not tanks with fire-creating equipment. This is a direct violation of the Posse Comitatus Act of 1878, which prevents American civilians from being attacked by military forces and/or equipment. [Did you know that Ashcroft and some Congress people want to get rid of this God-given right and according to the Los Angeles Times at Wednesday, August 14, 2002, he’s seeking concentration camps for enemy combatants and strip them of their constitutional rights.] CS-gas was utilized in the Waco massacre as well. U.S. Congressman Ron Paul stated that:

“CS gas is banned under the Paris Convention on chemical warfare. The U.S. could not use it in war. It is illegal, but they would use it against their own citizens.” — The Washington Times, April 23, 1993.

CS-gas is a very harsh poison that can harm children harshly. M-1 Abram tanks were used as well and the rest is history with 86 dead. (4 BATF agents died as well.) BATF agent Robert Rodriguez looked at the compound (Mount Carmel) a day before the raid at every firearm [all of the firearms that the Davidians had were legal] and he refused to look at it again when the Davidians asked for a investigation of the compound by their demands. Two weeks after the massacre at Mount Carmel compound, John Chafee, a senator from Rhode Island, called for a new law that would be a nationwide ban on hand gun ownership. It would prohibit the sale, possession, importing, and exporting of hand guns. Bill Clinton would go on to be an adulterer, pervert, and he lied about Pro-Lifers in 2008. The rest is history. Clinton has made many good laws and strides in support of minorities and the rights of minorities, but is he a closet racist? [Eyewitness accounts form Paul and Mary Lee Flay, Neil McDonald, Larry Patterson (former Clinton bodyguard), L. D. Brown (former bodyguard), Dolly Kyle Browning, and Dick Morris are said that Bill Clinton said the N word and GDN and even Hillary Clinton would says slurs about Jewish people. According to their testimonies, Clinton would said comments behind African Americans back like Jesse Jackson [Freemason/CFR] and Robert McIntosh [Little Rock black leader] like the coward he is. Clinton is a professional, paid speaker now and has a business office in Harlem. Closet racists are very deceptive. Recently, he appeared in a 60 Minutes debate with Bob Dole [who is a 33rd Degree Freemason].

Averill Harriman’s wife, Pamela, was later appointed US Ambassador to France by Bill Clinton after she helped finance his presidential campaign. In fact, Pamela Harriman would finance the Democratic Party for over 50 years. Throughout Pamela’s love life she stayed very close to the Brotherhood. She was married to both Skull and Bones, Nazi financier Averill Harriman and Randolph Churchill, the son of Britain’s Masonic Prime Minister Winston Churchill. If enough people knew and believed this, Clinton is history. OKC, questionable pardons, immoral, laws, etc. are related to Clinton’s legacy. He passed his illegal Counter-Terrorism Bill in 1996 and the S-8 Crime Control Act of 1993. Bill Clinton is also a Rhodes Scholar. The founder of the Rhodes Society is Cecil B. Rhodes, who was a very strong early proponent of that world view called the New World Order. Cecil Rhodes was a Freemason (some Freemasons even in the highest levels like Manly P. Hall would praise Lucifer). His Will set up the Rhodes Foundation specifically for the purpose of training the best minds in the world in the principles of the New World Order.
Homeland Security

George W. Bush passed his unconstitutional USA Patriot Act [signed at October 26, 2001, which compromises the 1st and 4th Amendments by its many vague, ambiguous sections. This law was passed without debate less than 2 months after 9/11 or without it being insensitively read before passage. Its Americas coup d’etat by the Bush Family]. Other infringing laws or programs include Carnivore/Echelon [Internet stalking or spy tools used by the CIA on even American citizens], there was Ronald Reagan’s Executive Order 12333 dated on December 4, 1981, which gave the CIA legal authority to spy on U.S. citizens, and the Cyber Security Enhancement Act passed with the Homeland Security Act in September 20, 2001. Homeland Security is nothing more than a police state formation using the National Guard as a national police force and Homeland Security is working with FEMA (this group has divided the USA up in 10 regions for further implementation of the New World Order. FEMA is also building detention centers nationwide in the case of martial law (or a serious national emergency). TIPS is short for the Terrorism Information and Prevention System. It’s made up of 2.1 million neighbors that can tell authorities of your activities even if they aren’t illegal to prevent so-called suspected terrorists. There is still an attempt of the elimination of the private ownership of firearms as mentioned in the Second Amendment of the U.S. Constitution, despite what is said by President Barack Obama. The Bible supports meekness and just defense in the OT and NT. Other immoral laws exist that conclusively proves that our God-given civil liberties are being gradually eliminated to produce a new globalist system. The previous President George W. Bush even said that if he wanted to be a dictator, he’d be a good one on many occasion. Look at his statements:

"I told all four that there are going to be some times where we don't agree with each other, but that's OK. If this were a dictatorship, it would be a heck of a lot easier, just so long as I'm the dictator," Bush joked.
-- CNN.com, December 18, 2000

"A dictatorship would be a heck of a lot easier, there's no question about it, " [Bush] said.
-- Business Week, July 30, 2001

It's so obvious that Bush is a fascist that I dont have to discuss it further. They wont stop.
Concentration Camps/Etc.

The United States government also has concentration camps today that are fully operational and it’s being constructed all of the time. These programs have been newly formed in the late 1960s and early 1970s, but modern ones are forming by the minute. There are over 600 concentration camps in the U.S.A. today runned by FEMA.

They are under Reagans, Colbys, and William Caseys [ex-Director of the CIA and Knight of Malta/Cardinal Spellman protege] codenamed Rex 84 program in 1984. Operation Cables splice plus Operation Garden Plot are involved with this as well. Some people believe that these concentration camps are to be used further in the future to put resisters of the N.W.O., and fundamental religious people (especially Christians, along with Orthodox Jews, and Muslims) to be housed and if not rehabilitated killed. To see more information on concentration camps look at www.americanholocaust.50megs.com and www.greatdreams.com/concentration.htm. In this situation, they will divide people up into Blue Lists and Read Lists. Blue Lists are used after martial law is declared, while Red Lists are picked up before martial law is carried out. The following is from www.greatdreams.com/concentration.htm :

“…Did you know? Public Law 87-297 calls for complete disarmament so the UN can "maintain internal peace". 51 million American acres are now UN designated! Military capacity of US is 65% and UN is 800% of our 1991 levels. The UN Children’s Rights takes responsibility away from parents and gives it to the state. No mention of God in the UN Charter. AIDS was UN-induced for population control (House Bill 15090.) HB 666 crushes our 4th Amendment Rights. UN command of US troops (PDD 25)…” (end of website quote)

Soon, the USA government will plan for national I.D. cards (via the Real ID Act), microchip implantation on human beings as a requirement [thanks to Verichip], and a one world currency or cashless society for usage in society in the years to come. I cant put a date on the N.W.O. being fully implemented, but within decades by 2050 A.D. it could happen (This is my opinion and 2050 A.D. isn’t a date etched in stone nor is this a prophecy, but my estimation of the circumstances in society today.) Tom Ridge [Knight of Columbus, PA Republican ex-Congressmen, murderer who was involved in Operation Phoenix, and known supporter of the abomination of abortion] was the head of Homeland Security. Today, in 2009, Janet Napolitano is the new head of Homeland Security. Satan is something else, but Almighty God is something omnipotent. This evil does not amuse Almighty God at all. The illegal USA Patriot Act isn’t just infringement here, but Australia has the 2000 Aid to Civilian Authorities (on August 25, 2000), amendment to the Defense Act and Canada has its Bomb Bill (C-36 Act). All of these laws are the first stage of a worldwide authoritarian system.

The Biblical Response to the Skulls and Bones:

Satanism loves and courts death/destruction like the Skulls and Bones do. In their ceremonies and rituals, they obsess with that, but God has a different opinion. In Psalm 8:24-36, the Bible says that sinners who hate God, love death. With the death symbols of skeletons, skulls, and coffins; the Skulls and Bones organization is the epitome of death. Throughout the OT and NT, God hates evil, sin, and encourages believers to do likewise. (Ps. 34:14, Isaiah 5:20, Proverbs 3:7, Romans 7:19, Titus 3:2, etc.) Aligning new names that deal with Satanism or pagan religions is definitely wrong. The Bible in Revelation says that God himself will pronounce his believers with new names not a satanic group. Also, to be called by a demons name of Beelzebub is highly a disgrace especially if George H. W. Bush and George W. Bush claim to be Christians (which they aren’t). The Bible forbids all occult activities and ceremonies (Lev. 19:26-28, Deut. 18:9-14, 2 Kings 23:24, Jeremiah 10:2). No born-again Christian would want to
join a satanic society like the Skulls and Bones for this and tons of other reasons. There is no excuse for any Christian joining this group. In the Skulls and Bones, sexual perverted ceremonies are performed and commonplace. Why would Almighty God want this to continue especially if someone claims to be a Christian. 2 Timothy 3:1-9 shows prophecy describing the immorality of sexual sin, meanness, and bad behavior of the end-times (our generation). Its great to see improvements of society on civil rights, female rights, quality of life, environment, etc in the 21st century, but the sins of immorality continues in American society. If someone is extremely aligned against Christ by blaspheming the Holy or aligned with Beelzebub than with Christ is committing the unpardonable sin (Mt. 12:22-27). What must George W. Bush, and others do to be really born-again? They must forgive of their sins to God and privately and publicly (especially the ex-Presidents Bush Sr. and Jr.) denounce the Skulls and Bones and all secret societies. Its a simple solution, will they do it?

What can we do?

Knowledge is power and we can use and show as much literature to as many outlets as possible outlining the actions of these groups. Make sure you use sources conveyed in a logical manner to back up what you say. You can email your congressman or congressswoman about this and other information. Implore them to revoke the illegal Patriot Act which many states are refusing its enforcement, etc. We can improve our health, exercise, cut our TV viewing down, and other thing. Also, many states are passing Resolutions refusing to enforce federal laws that violate their Constitutional Rights (like anti-gun laws, etc. That is why many anti-gun laws are preventing people form owning guns if they have PTSD). Those across the political spectrum are supporting individual liberty and rejecting the federal government’s anti-liberty policies. We should have reserves in food and water. Numerous states are asserting their rights. That is why some of the Obama stimulus is to federal things and forcing our medical records to be centralize into a database. This money is being loaned to foreign banks (in other words, they steal our money and loan it on interest). Also, many are participating in home schooling since public schools have been infiltrated for decades by corporate Foundations and the NEA.

Now, the war in Iraq is here started in March 19, 2003 at 9:33 pm. EST against Saddam Hussein [a CIA puppet] and a disease in Asia is spreading across the globe. This is truly the end of the age. As for Iraq, regardless if you’re for the war or not, you have to acknowledge that Bush and Saddam are enemies to society. George H. W. Bush according to William Thomas book Bringing the War Home sent 19 shipments (or containers) of Anthrax bacteria to Iraq in 1988 by the American Type Culture Collection Company, located near Fort Detrick, MD. (the site of the U.S. Army’s high security germ warfare labs. This lab created AIDS by 1977. The United States have created anthrax since the 1960s). The curator of this anthrax is by Dr. Joshua Lederberg [a CFR member]. We supported Iraq as late as 1989 when James Baker [Secretary of State under George H.W. Bush/involved in the Bay of Pigs operation] meet with Iraqi foreign minister Tariq Aziz in October 1989 for the support of $1 billion give away to Iraq in reward to Baghdad. Saddam had killed Kurds, his own people, etc with chemical weapons also in the thousands, so I have no sympathy with Bush or Saddam. Saddam Hussein should be brought for war-crimes since he’s a murdering terrorist. It was only when Saddam invaded Kuwait in August 1990, when the U.S. didn’t feed the Iraqi machine (many U.S. companies and foreign companies in the past have funded Iraq), that the USA struck Iraq in a battle. One reason for the war was because of oil, because the USA had oil interest in Kuwait. On this 2003 War on Iraq called Operation Liberation of Iraq, I feel we need to need Saddam reign, but Bush is not a boy scout neither should we think that America is spotless in the situation. Here are some basic fundamental facts on Iraq:

-No evidence of Iraq being involved in the 9/11 massacres

-No evidence of Iraq aligned with al-Qaeda terrorists except areas of Northern Iraq (these terrorists are independents)
No evidence to date that Iraq has vast amounts of weapons of mass destruction. Few countries have had 93 per cent of their major weapons capability destroyed. This was reported by Rolf Ekeus, the chairman of the United Nations body authorized to inspect and destroy Iraq’s arsenal following the Gulf War in 1991. UN inspectors certified that 817 out of the 819 Iraqi long-range missiles were destroyed. In 1999, a special panel of the Security Council recorded that Iraq’s main biological weapons facilities (supplied originally by the US and Britain) have been destroyed and rendered harmless. As for Saddam Hussein’s nuclear threat, the International Atomic Energy Agency reported that Iraq’s nuclear weapons programme had been eliminated efficiently and effectively. The IAEA inspectors still travel to Iraq and in January [2002] reported full Iraqi compliance. Blair and Bush never mention this when they demand that the weapons inspectors are allowed back. Nor do they remind us that the UN inspectors were never expelled by the Iraqis, but withdrawn only after it was revealed they had been infiltrated by US intelligence.

I wouldn’t be too calm by the U.N. either. It was founded in 1945 and its a communist organization [Alger Hiss, the father of the U.N. was a suspected communist spy.] The United Nations is under the Vatican, the Bilderbergers, the Pilgrims, the elite bloodlines, and the rest of the global elite. The G-8 runs most of the policies of the Secretary Council of the United Nations. The U.N. was made to be the prototype of the one world government. The U.N. charter was authored by a communist, and the U.N. from the beginning, was designed to be a Union of World Socialist Republics. Its tries to strip U.S.’s national sovereignty as well and the first undersecretary general was Arkady Sooler from the USSR (1946-1949) who was a communist. Everything shown here is accurate. I created this mainly to clear my conscience. Its a shame that many people are brainwashed, but tons of people in America aren’t and are getting their eyes open. Thousands of U.N. troops from Russia, China, Germany, etc are here today for the creation of the N.W.O. here through martial law.
21st Century Developments

In the spring of 2005, the most famous Skulls and Bones man is George W. Bush. Edward McNally, the general counsel of the Office of Homeland Security and senior associate counsel of national security is a Bonesman. Bill Donaldson and Bo Graham are Bonesmen. John Kerry, the Senator from Massachusetts, is another well-known Skulls and Bones person who met JFK in a yacht in 1962 [he admired John F. Kennedy a lot]. John Forbes Kerry is in the CFR and his brother in law from his first marriage, David Thorne, is a Bonesman. As previously announced, the inestimable Austan Goolsbee will serve as the Board's Staff Director and Chief Economist,” reports Jake Tapper for ABC News. Goolsbee is not only a member of the occult Skulls and Bones secret society. He told Canadians back in April of 2008 during the Obama election campaign that he didn’t mean it when he declared he would “renegotiate NAFTA.” NAFTA have devastated manufacturing jobs in America and violates American national sovereignty. It was just a parlor trick designed to fool the American people. Austan Goolsbee told a recent CFR meeting that free trade isn't the enemy. “Goolsbee is widely reported to have told Obama not to back a compulsory freeze on home mortgage foreclosures to help the struggling middle class in the current depression crisis, as demanded by former candidate John Edwards,” Webster Tarpley wrote on February 4, 2008. Dissent is growing to becoming a crime in America [i.e. ex-Georgia Congresswomen Cynthia McKinney was ostracized by the administration, media, etc. by just calling for more investigations of the 9/11 massacres simply]. Jeremy Glick, one of the signers of the Not in Our Name petition, was physically threatened by Bill O'Reilly [Irish Catholic talk show host of The O'Reilly Factor who works for Rupert Murdock of Fox (who is known funder of smutty magazines)]. Admiral Boorda (Jewish patriot) tried to end the U.N./Illuminati infiltration of America and he was killed. Michael Savage (a Jewish neo-conservative and MSNBC host of the Savage Nation on March 15, 2003 claimed that any protest or great public display of dissent in the media or otherwise during a time of war is sedition). A Democratic senator at a California Democratic primary named Howard Dean said that we don’t need fundamentalist preachers (when Fundamental Christian have been exposing the new world order including other evils in our world before Dean was born) at March 15, 2003, and other forms of fascism. In February of 2009, a descendant of the Native American Geronimo accused the Skulls and Bones of stealing Geronimo’s bones back centuries ago. Geronimo died of pneumonia in 1909 as a prisoner of war in Fort Still. However, in 2006, the Yale Alumni magazine published a letter written at the time of the alleged grave robbery in which a Skull and Bones member confirmed that Geronimo’s skull, femurs and some of his riding gear had been taken to the society's hall. His great-grandson was Harlyn Geronimo wants the bones to reside in a proper burial place.
